The Day It Rained and Rained and Rained

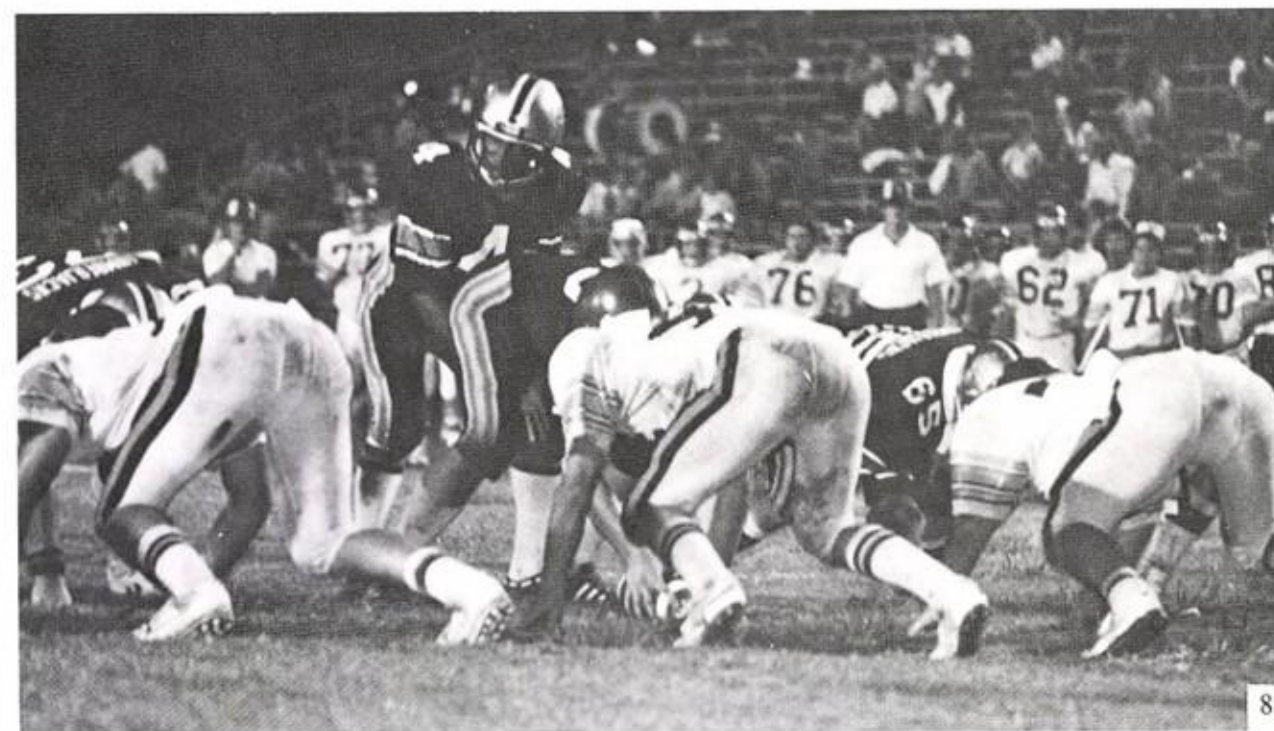

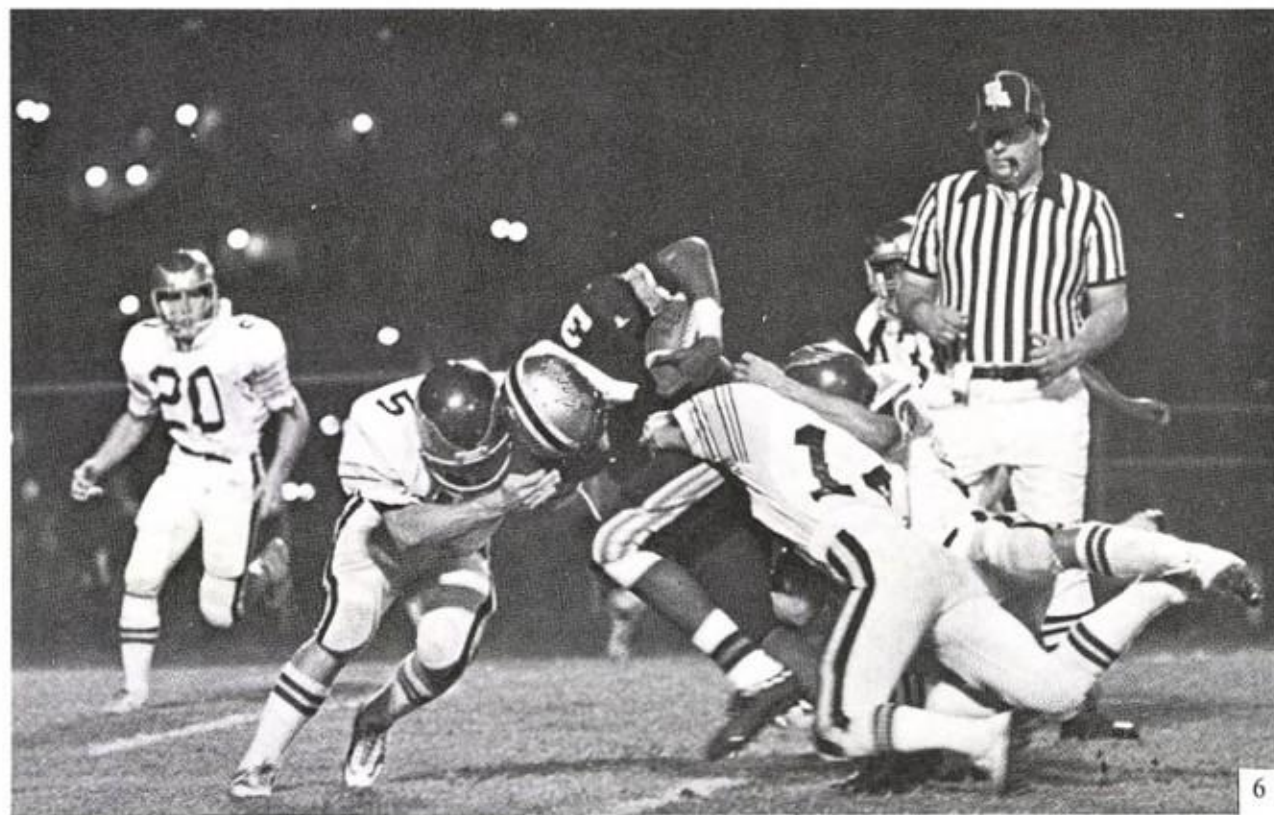

The rains came. They destroyed many hours of hard work that were spent in preparation of the Homecoming parade. Soggy flowers, floats, and decorations disappointed many, but the Lumberjack spirit was never dampened.

There were 39 entries in the parade. 4K won first place, Torch and BTS tied for second, and PKT placed third.

For the traditional presentation of the Homecoming court, the atmosphere was calm and composed. But when the presentation was completed, the auditorium was filled with a violent burst of energy, generated by the student body.

The power and fury of the school's spirit was even more pronounced at the Homecoming game when the Jacks plucked the Eagles 21-6.

BHS Students Take Europe By Storm

This year, 32 foreign language students and 10 adults toured Europe with Mrs. Jo Al Holcomb. The major countries visited were France, Germany, Italy, and England, with shorter stays in Belgium, Luxembourg, Switzerland, and Austria. In London, while walking in the Buckingham Palace and Westminster area, the group caught a glimpse of Prime Minister Margaret Thatcher. Other activities in England included a trip to Bath, Salisbury Cathedral, and Stonehenge, a stage production of MARILYN!, visits to Wimbledon, British Museum, Harrod's, Tower of London, and Easter Services in St. Paul's Cathedral. In Germany, the route followed the Rhine River through the Black Forest, and into Heidelberg. The highlights of Austria and Switzerland were snow, mountains, and a tour of the Olympic ski jump. In Italy, it was Venice with its canals and blown glass (and a toga party in the hotel!), and Florence with its art and Michaelangelo's famous statue of David. Then two days on the Riviera: Nice, Monaco, Monte Carlo, and the beautiful corniches above the

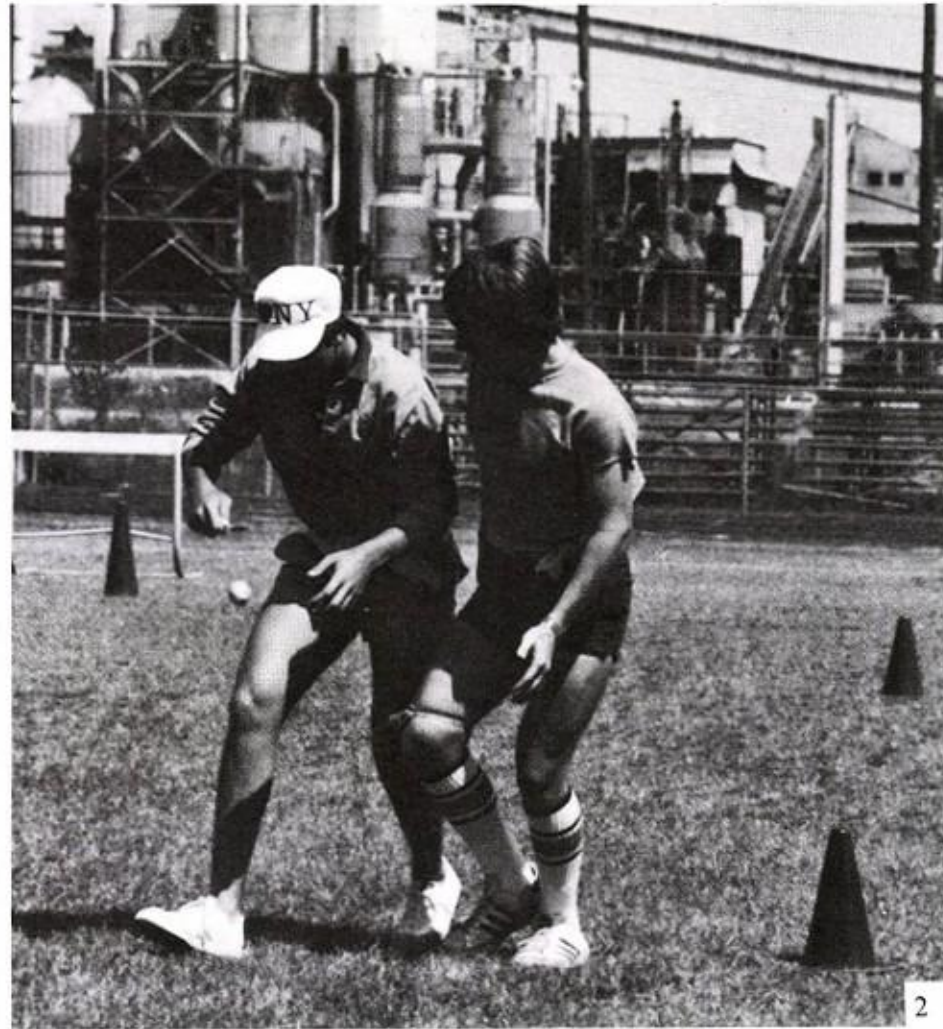

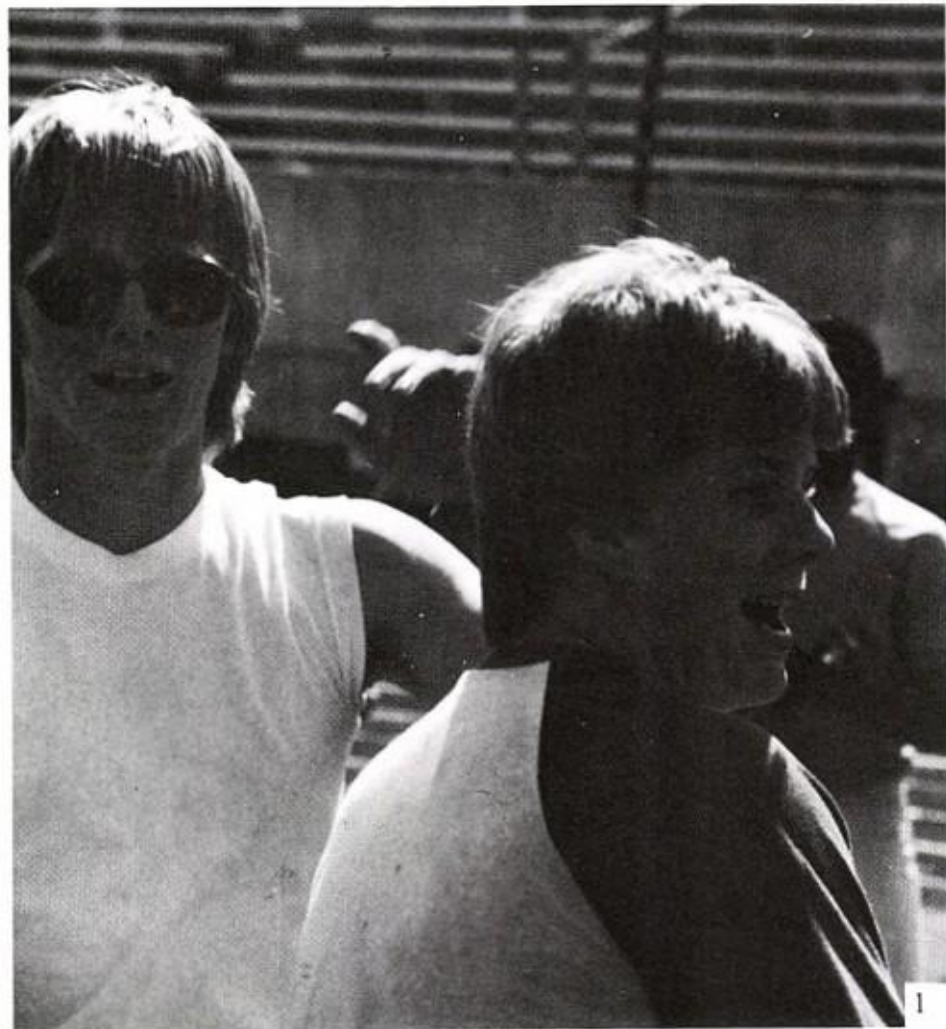

Mediterranean. Finally on to Paris via Dijon! The Eiffel Tower, Arc de Triomphe, Versailles, Fontainebleau, Louvre, and Notre Dame! Saying goodbye to Paris was hard, but crossing the tempestuous English Channel back to London for our trip home helped. Our final night in London was the scene of the famous "cheese awards." The next morning, everyone boarded the plane, gave a sad farewell to Europe, and agreed it had been a great three weeks.

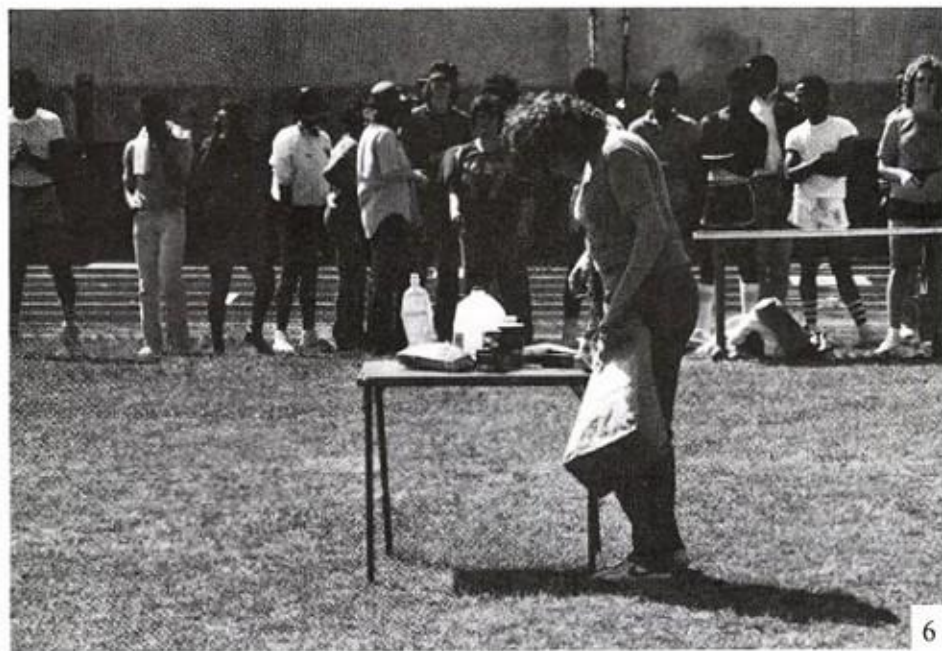

1. On a whirlwind tour of Paris, the group visited the famous Notre Dame Cathedral. 2. A short stop in Switzerland gave the students a chance to play in some snow. 3. Everyone poses for a final shot before leaving Bogalusa. 4. Oh, good grief! 6. One of the most breathtaking sights in Paris was the Hall of Mirrors in the Palace of Versailles. 7. 1982 The Year That Should Have Been

Bogalusa, the state's top-ranked team in Class AAA football, wasn't without talent. This fact was proven in the selection of the Class AAA All-State team, as Bogalusa had four players chosen. Quarterback Orlando "Butter" Lundie was a solid pick as the state's Outstanding Offensive Player. Joining Butter on the all-state team were wide receiver Rogie Magee; offensive guard Jimmy Breazeale; and defensive tackle Sean Smith. Tight-end Mark Bennett was an honorable mention selection.

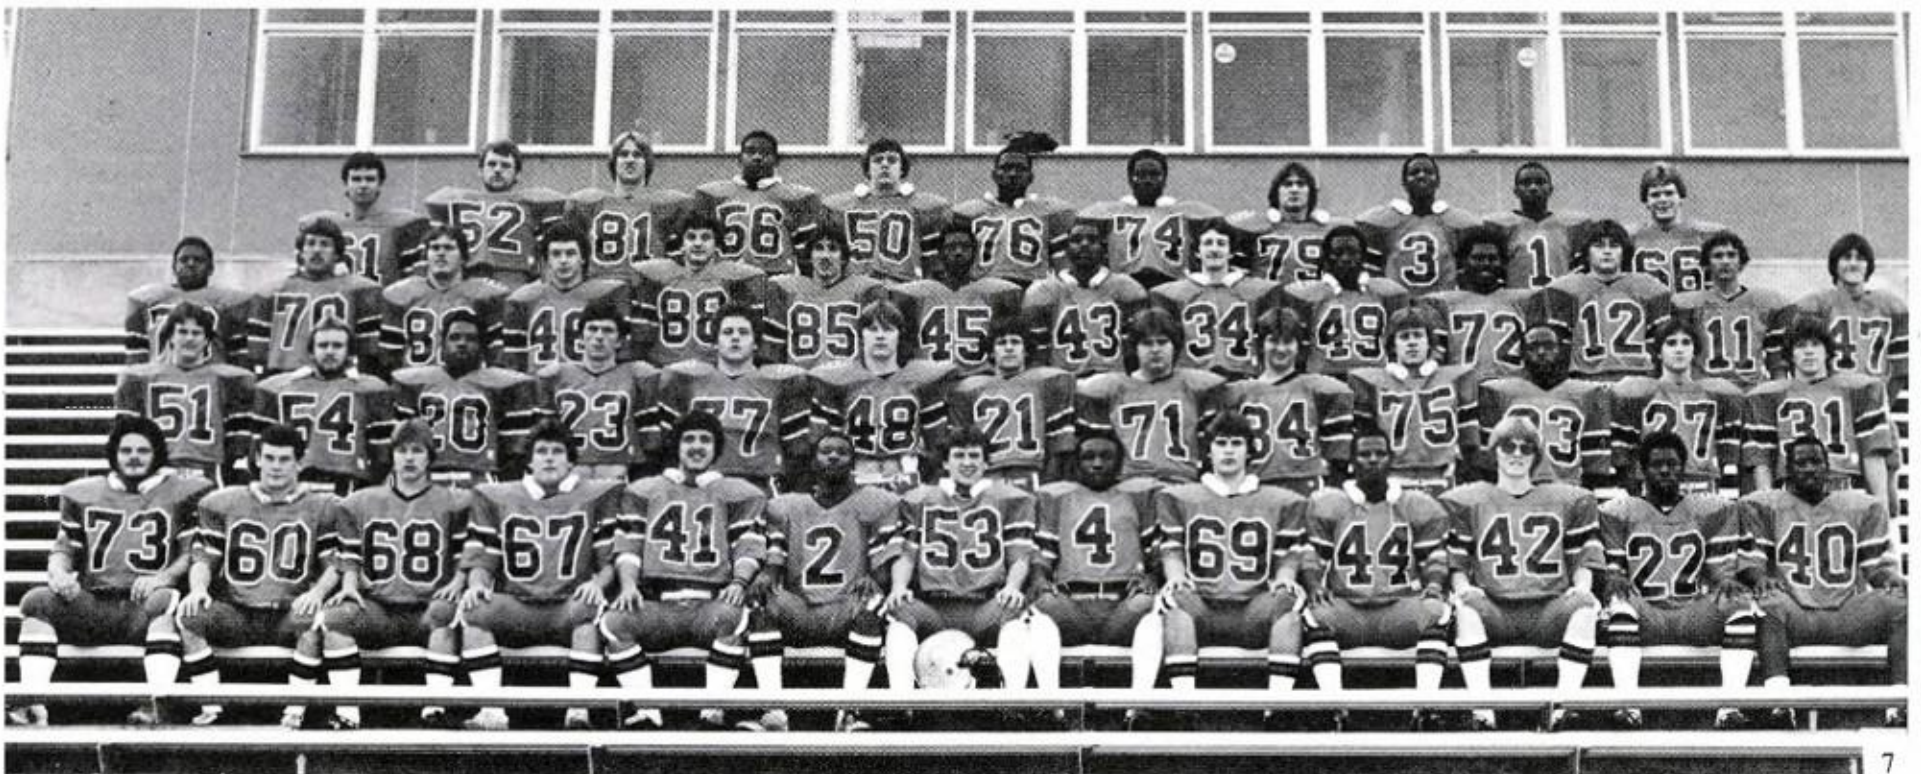

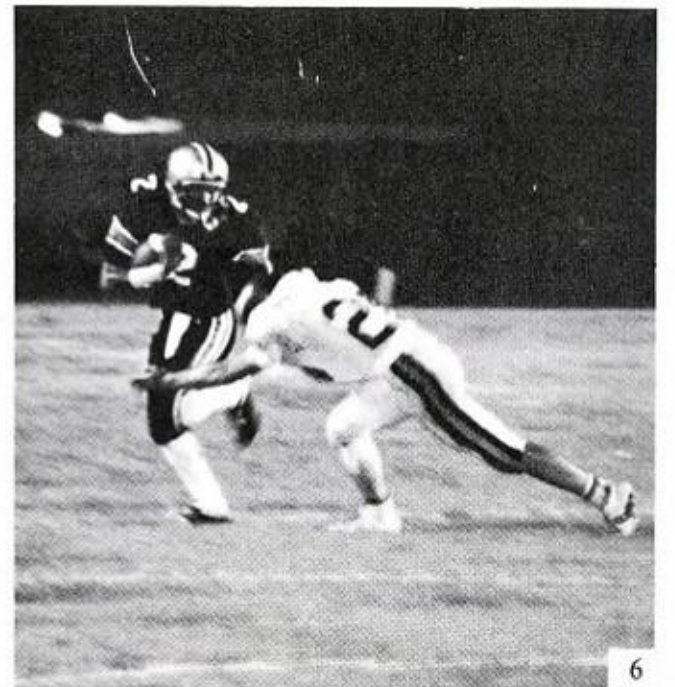

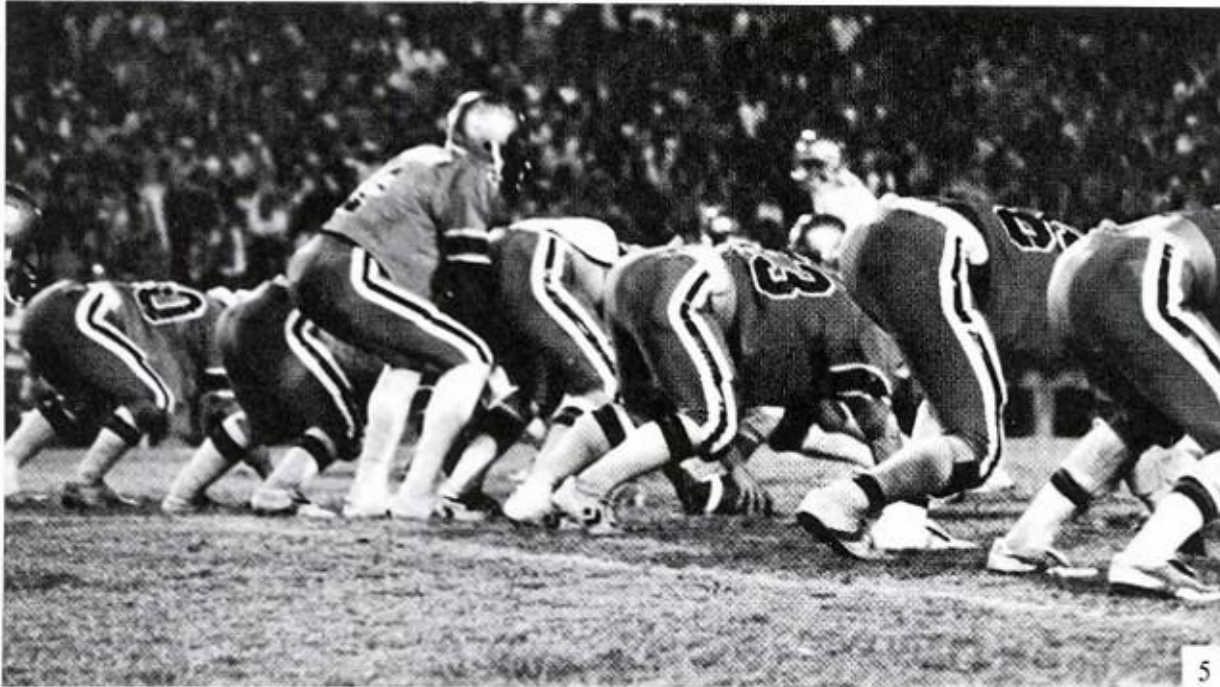

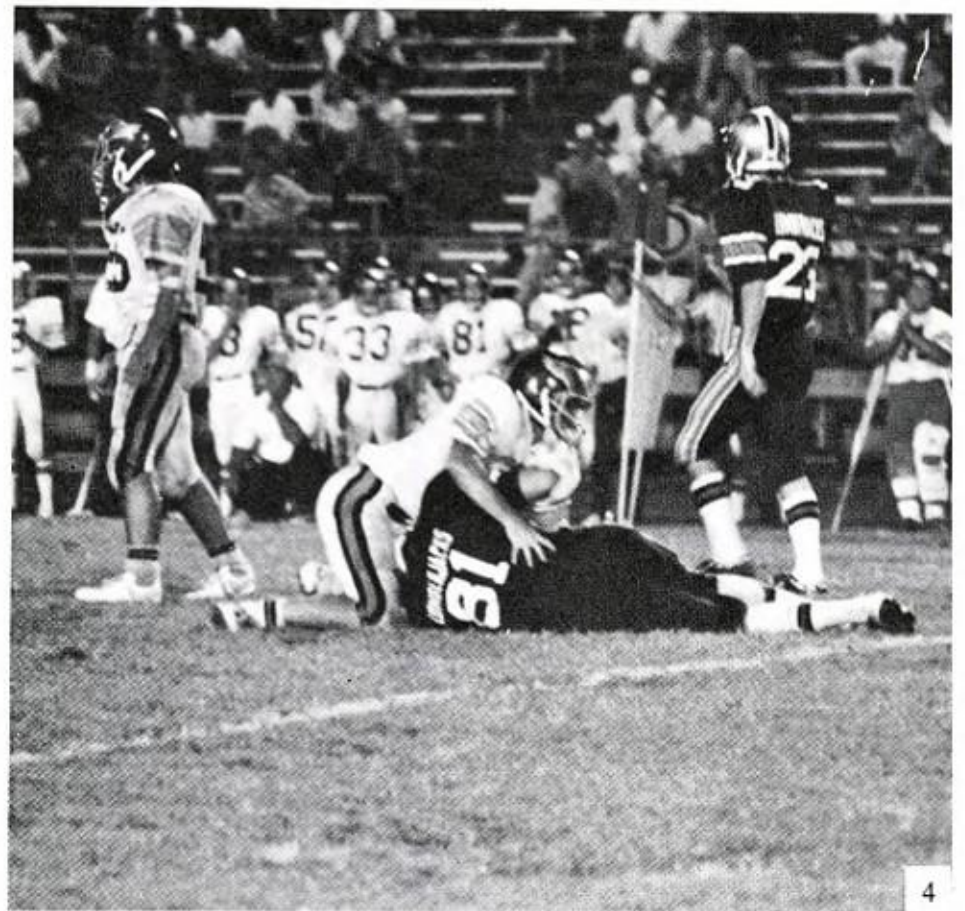

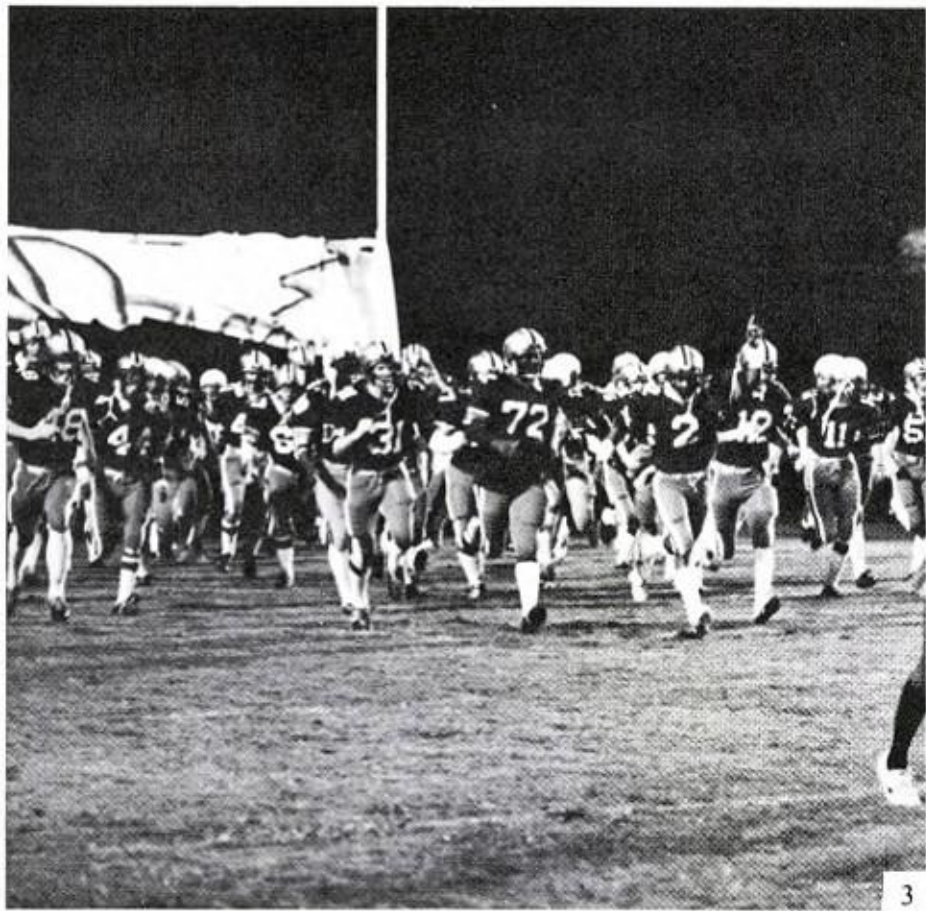

Being district champions had its rewards, too. The Lumberjacks, who steamrolled everyone in District 8-AAA, landed nine first-team berths on the Coaches All-

District team. In addition, quarterback Butter Lundie was chosen Most Valuable Player on offense and Lewis Murray was named Coach of the Year. Landing berths on the first-team offense were center Wes Robertson, guard Jimmy Breazeale, tight end Mark Bennett, wide receiver Rogie Magee, and Lundie. On the first-team defense were tackle Sean Smith, line backers Clay Foreman, and Bruce Plummer, and defensive back Donnie Adams.

1. Anticipating the next offensive play is Ricky Warren. 2. Looking for running room is Butter Lundie. 3. Here come the mighty Lumberjacks! 4. Finally brought down by a defender is Mark Bennett. 5. Ready for action is the Lumberjack offense. 6. Averting a tackle is Michael Ward. 7.

Explosive Plays Highlight Tie Games in Bogalusa Jamboree

Play in the 1982 Bogalusa Jamboree proved to the football fans in Washington Parish that they were in for an explosive season.

The Lumberjacks played the Demons to a 7-7 tie, and the Wildcats to a 6-6 tie.

Jacks Sparkle in Season Opener

The Lumberjacks shellacked the Hammond Tornados by a score of 29-6.

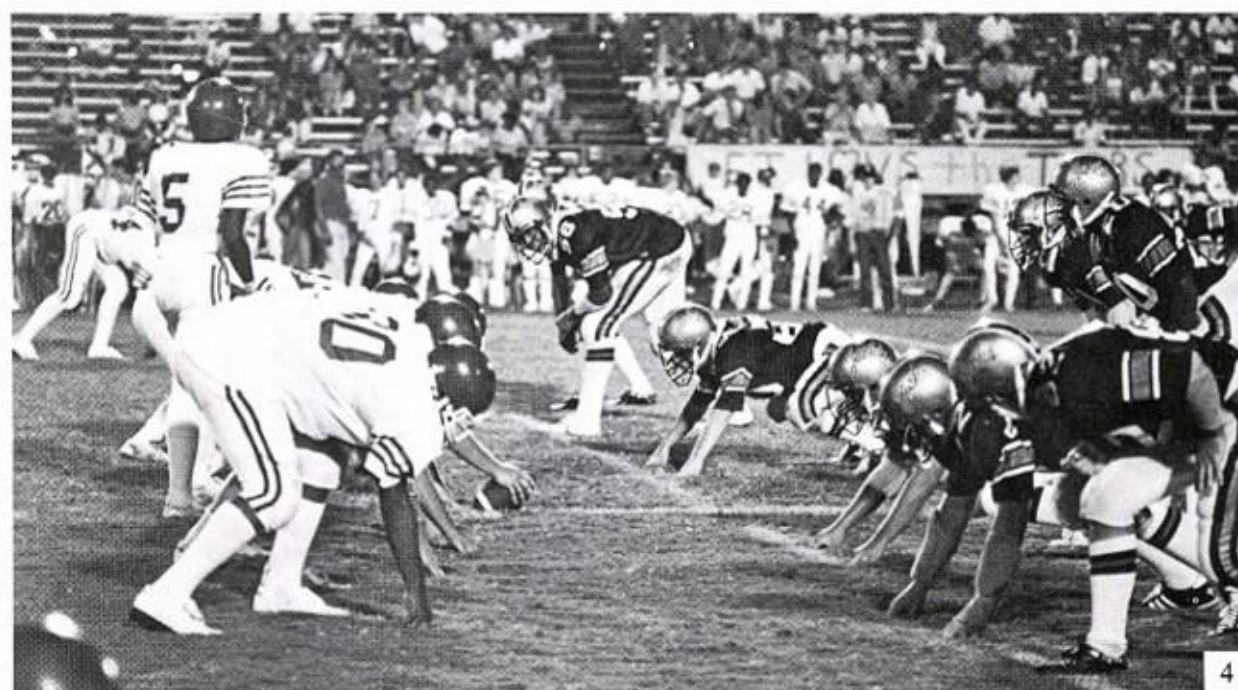

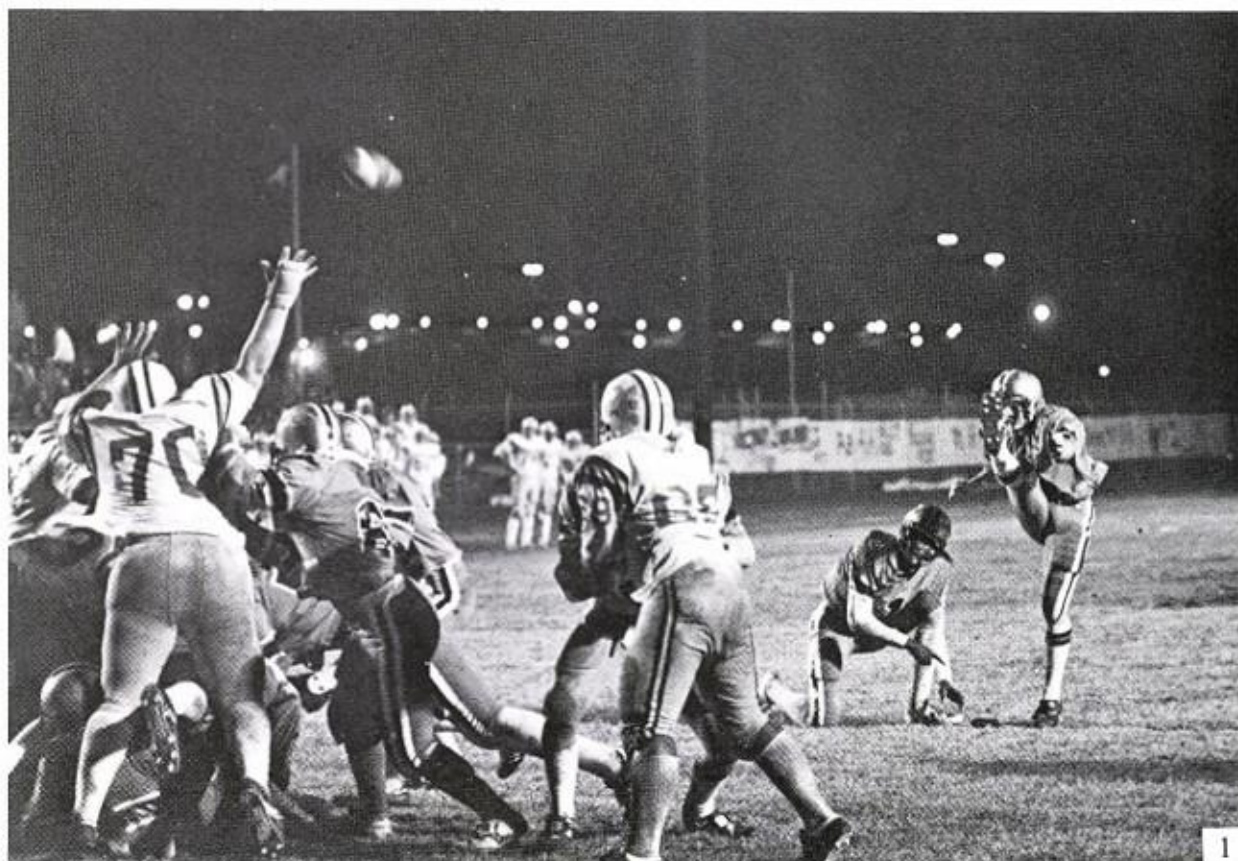

The Jacks finished the game with 14 first downs and 345-yards in total offense. The Lumberjacks stepped to a 22-6 lead at the half, expanded it to 29-6 midway of the third quarter, and were in complete command the rest of the way.

Lumberjacks Ended John Curtis Winning Streak for 400th Victory

The battle's over and the victory's been won, and the victor was the Lumberjacks by a score of 14-9. The win was not only important because it increased the Jacks 1982 record to 2-0, and ended a John Curtis winning streak, but it proved to be of historic significance in that it was the 400th victory in Bogalusa High School history.

The game was a defensive struggle from the word go. The game progressed through the first quarter with neither team scoring. The half ended with the Jacks leading 7-3. Neither team managed a score in the third period. With 4:21 left in the game, Bobby Cotton ran into the end zone for a second Jacks touchdown.

1. Trying for the extra point is the Lumberjack kicking team. 2. Inhibiting a block is Jimmy Williams. 3. Going for a "sack" is Chris Adams. 4. Faced with the opposition is the Lumberjack defense.

Lumberjacks Grind Lions

The Bogalusa Lumberjacks were in command all the way, jumping to a 14-0 lead at the half, upping it to 21-0 early in the third quarter, and breezing the rest of the way to a surprisingly easy 21-8 win over the arch-rival Covington Lions.

The Jacks ran up 442 yards total offense to Covington's 160.

Jacks Pound Amite

The score could have been 60-0, but Lewis Murray was very charitable. The Jacks pounded the Amite Warriors 47-2 in the District 8-AAA opener for both clubs. Everyone on Bogalusa's roster played.

For a half, Bogalusa didn't look too super. The Jacks led only 12-0 at intermission. On the first play of the second half, however, Bruce Plummer cracked off left tackle, got outside, and out-raced Amite's secondary 57 yards for a score. From then on, it was all Bogalusa.

Jacks Zip Past Skippers

Bogalusa jumped to a 21-0 lead at the half and coasted to an easy 28-6 win over the Mandeville Skippers. The Jacks completely dominated the first half, running up 270 yards total offense and 14 first downs to Mandeville's 28 total yards and one first down.

The Jacks' first offensive unit played one series in the second half, scored a touchdown for a 28-0 lead, and retired to the bench for the rest of the game. Mandeville got its only score in the fourth period to cap a 55-yard drive.

1. Looking downfield for running room is Butter Lundie. 2. Conversing on the next play are the coaches, Bruce Plummer, and Clay Foreman.

Homecoming . . . Rain, Rain, Rain

The Lumberjacks blasted the Live Oak Eagles 28-6. The Jacks jumped to a 20-0 lead in the first quarter and coasted the rest of the way. Live Oak's only touchdown came midway of the second quarter on an interception. The Jacks marched 85 yards right up before the half to wrap up the night's scoring. The second half was filled with interceptions and errors.

Jacks Ax Wave

Same song . . . Fourth verse. The Lumberjacks won again beating the Ponchatoula Greenies 29-0.

Bogalusa fans enjoyed seeing the Jacks zip to a 13-0 lead by scoring the first two times it had the ball. By half-time Bogalusa led 21-0. The Jacks had rolled up 197 yards total offense to minus four for the Greenies. In the second half, the Jacks marched 56 yards the first time it had the ball to close out the night's scoring.

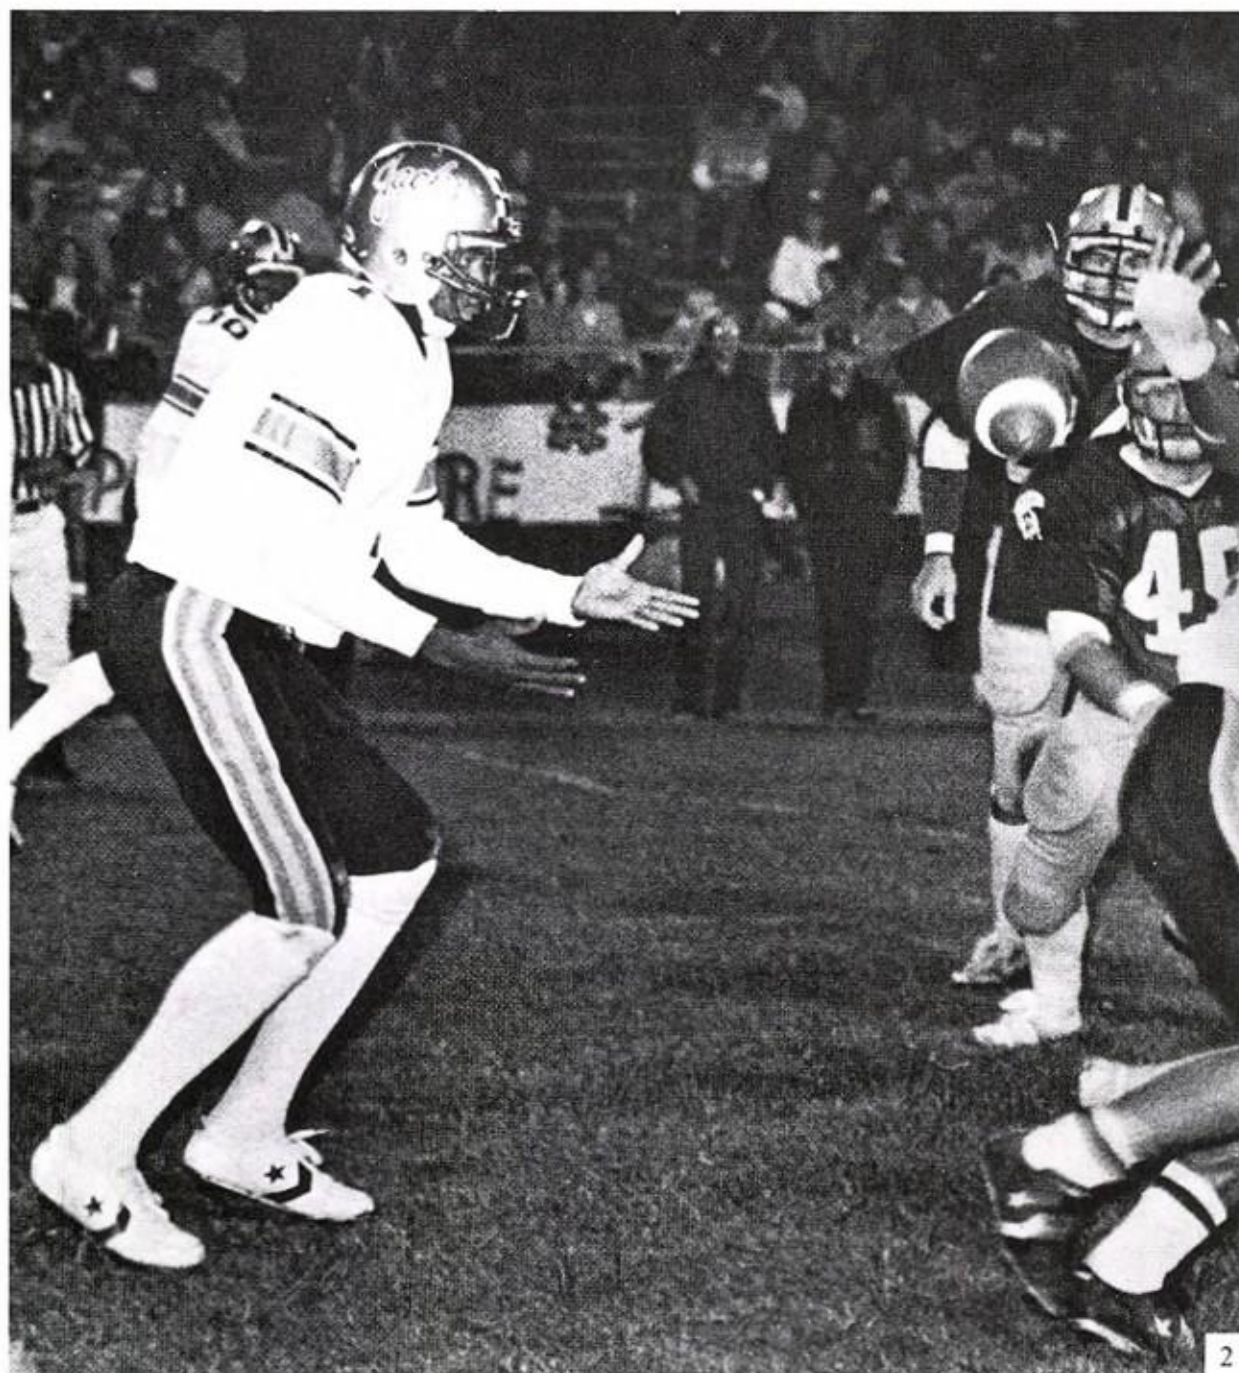

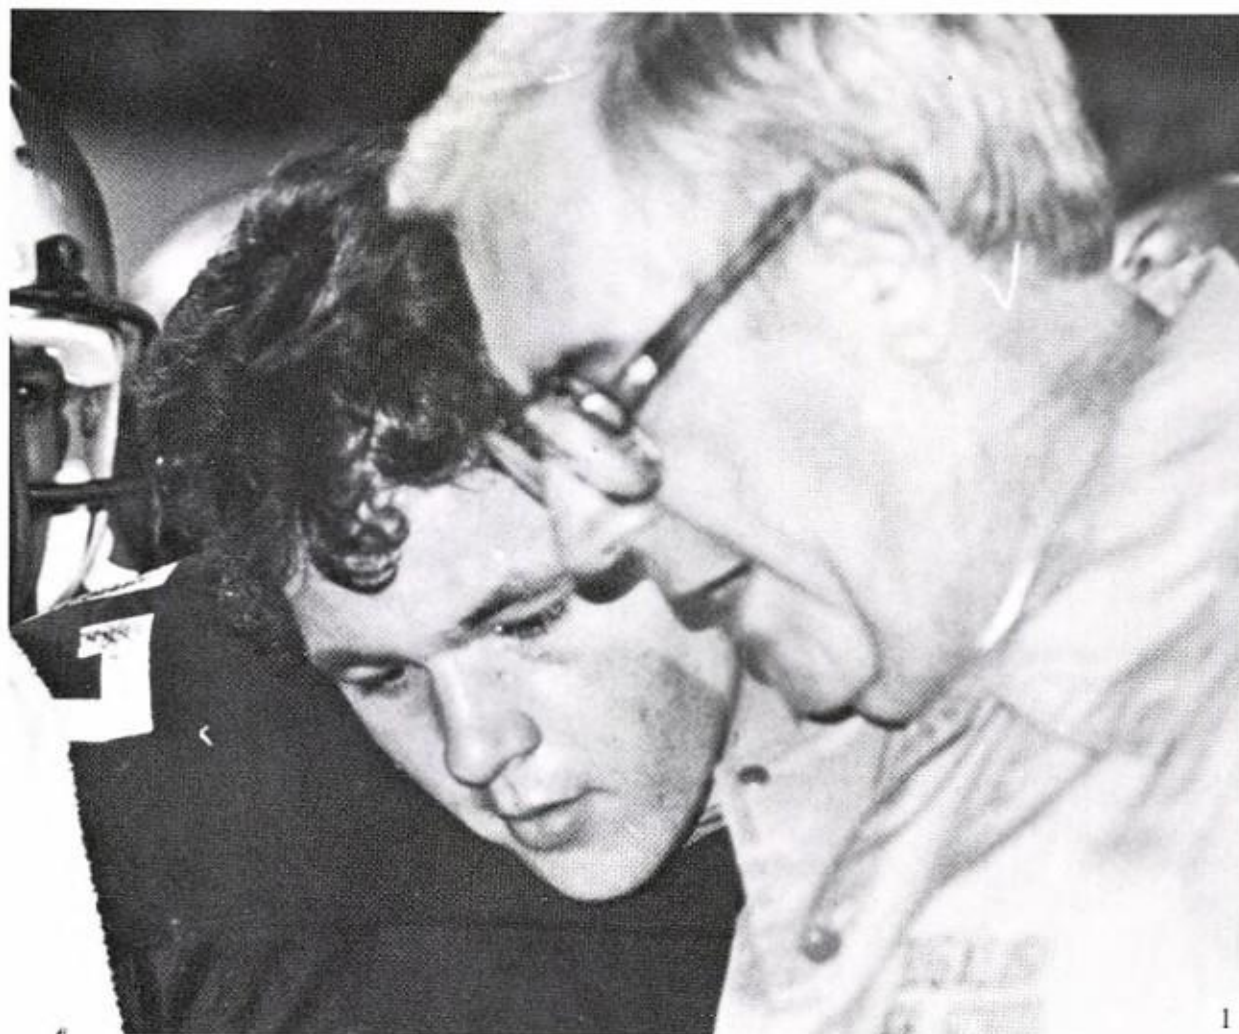

Big Jack Attack Leaves Wolves Hungry

In a carnival-like atmosphere in Covington, the Jacks were pushed to the limit for the first time all season and responded with a 24-13 triumph over big and powerful St. Paul. Bogalusa and St. Paul were penalized over and over again. Bogalusa lost 110 yards and St. Paul, 120 yards.

The Wolves drew first blood, scoring with a 19-yard pass in the first quarter. Bogalusa answered immediately. Then midway of the second quarter, the Jacks took the lead for good.

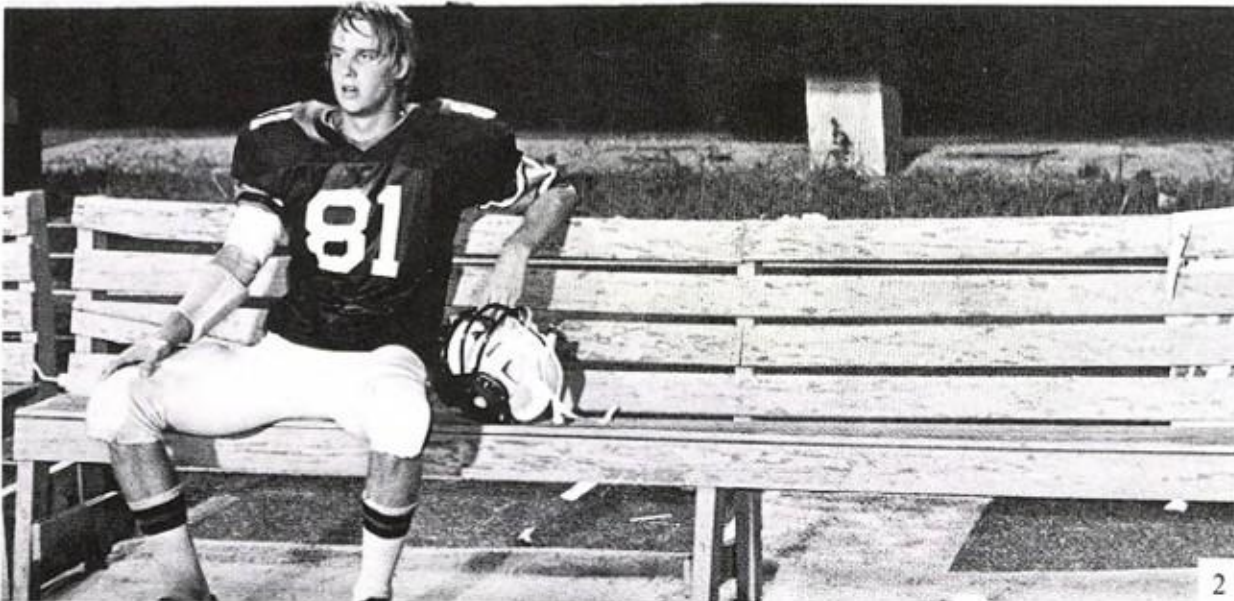

The lead grew to 18-7 on Bogalusa's first possession of the second half. St. Paul cut the deficit in the third quarter to 18-13. In the fourth quarter, the Jacks scored again to cap off the win.

1. Discussing strategy with Coach Murray is Buster Stewart. 2. Receiving the snap is Butter Lundie.

Jacks Exorcise Demons

Before a sellout crowd of 7,500, the largest in Lumberjack Stadium history, the Jacks took control of the game in the second half to whip Franklinton 33-14.

The Jacks never trailed, zipping to a 14-0 lead in the first quarter, fighting off a furious rally by the Demons in the second quarter to lead 21-14 at the half. Bogalusa put icing on the cake in the second half with two touchdowns, when Bogalusa's size and strength wore down the Demons.

Jacks Wrap Up Perfect Season

Big and powerful Lumberjacks took away Salmen's most powerful weapon—the run—and closed out a 10-0 season with a 20-7 win over Salmen Spartans.

Salmen made Bogalusa work overtime for everything it got. In a somewhat sloppily-played second quarter, the teams traded fumbles and interceptions until the final 38 seconds when Joey Dudley pounced on a fumble, setting up Lundie's scoring pass to Magee which gave the Jacks its 14-0 halftime advantage. Bogalusa iced the game midway of the fourth quarter when Lundie orchestrated a 60-yard march for the final touchdown.

Explosive Jacks Pop Lutch

On a field more suited for riverboats, the Bogalusa Lumberjacks sailed to an easy win over the Lutch Bulldogs in the opening round of the state playoffs.

On a field made wet and slippery by day-long rains, Bogalusa rode the passing of Butter Lundie and the play of its defense to the win. Lun/die completed 10 of 20 passes for 210 yards and three touchdowns. Bogalusa's defense, after being fooled on several occasions by Lutch trick plays, fought back to take control of the contest.

1. Receiving the pass is Rogie Magee. 2. Taking a short break is Mark Bennett. 3. Anticipating a fourth down for the opposition is Tony Granger.

HEARTBREAK JACKS SUFFER LOSS TO ZACHARY

Grown people cried . . . no one believed . . . no one accepted what the scoreboard told.

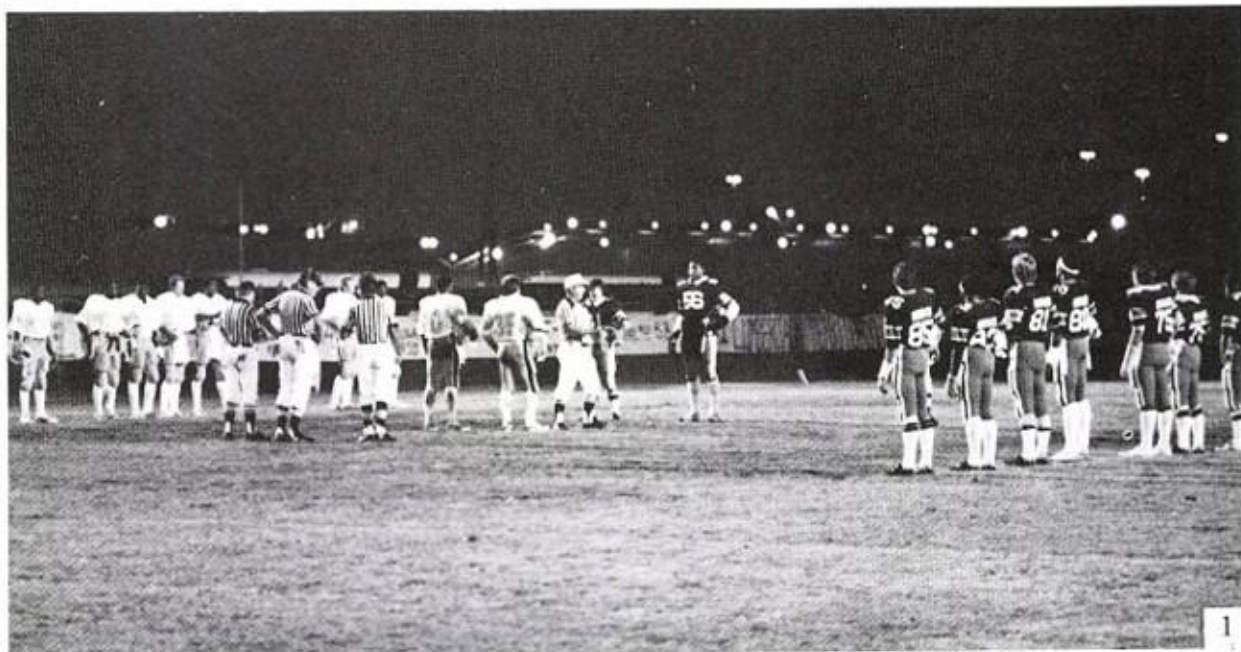

In one of the most stunning upsets in Bogalusa High history, the Zachary Broncos scored three fourth-quarter touchdowns, to wipe out an 18-0 deficit and whip Bogalusa by 19-18 in the state quarter-finals.

Zachary, displaying great courage and character in the face of overwhelming adversity, owned the last 20 minutes and, ultimately, the game.

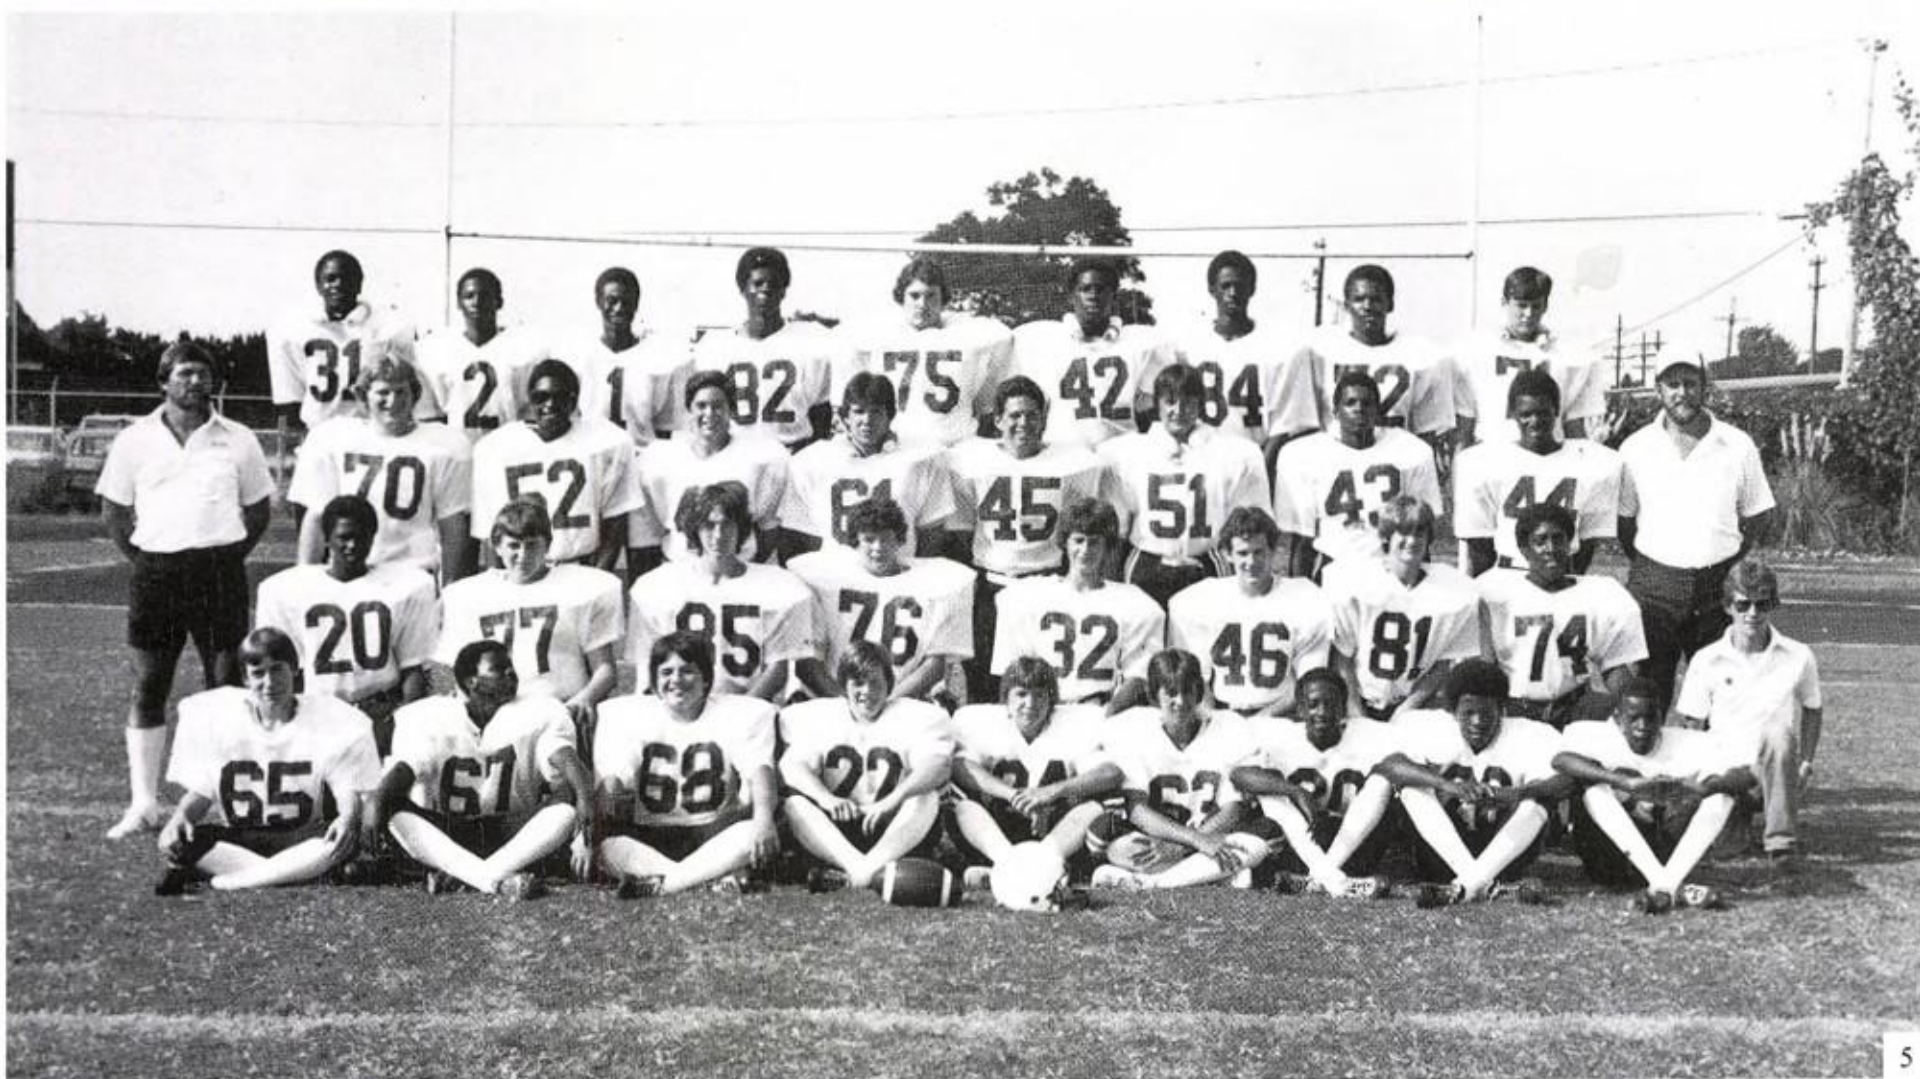

Perhaps it all came too easily for the Jacks. At the half they led 18-0 after thoroughly dominating the Broncos. The Broncos didn't even cross mid-field until just 3:30 remained in the third quarter.

Displaying remarkable resiliency and guts, Zachary capitalized on two key Bogalusa fumbles in the waning minutes of the fourth quarter to pull out the triumph.

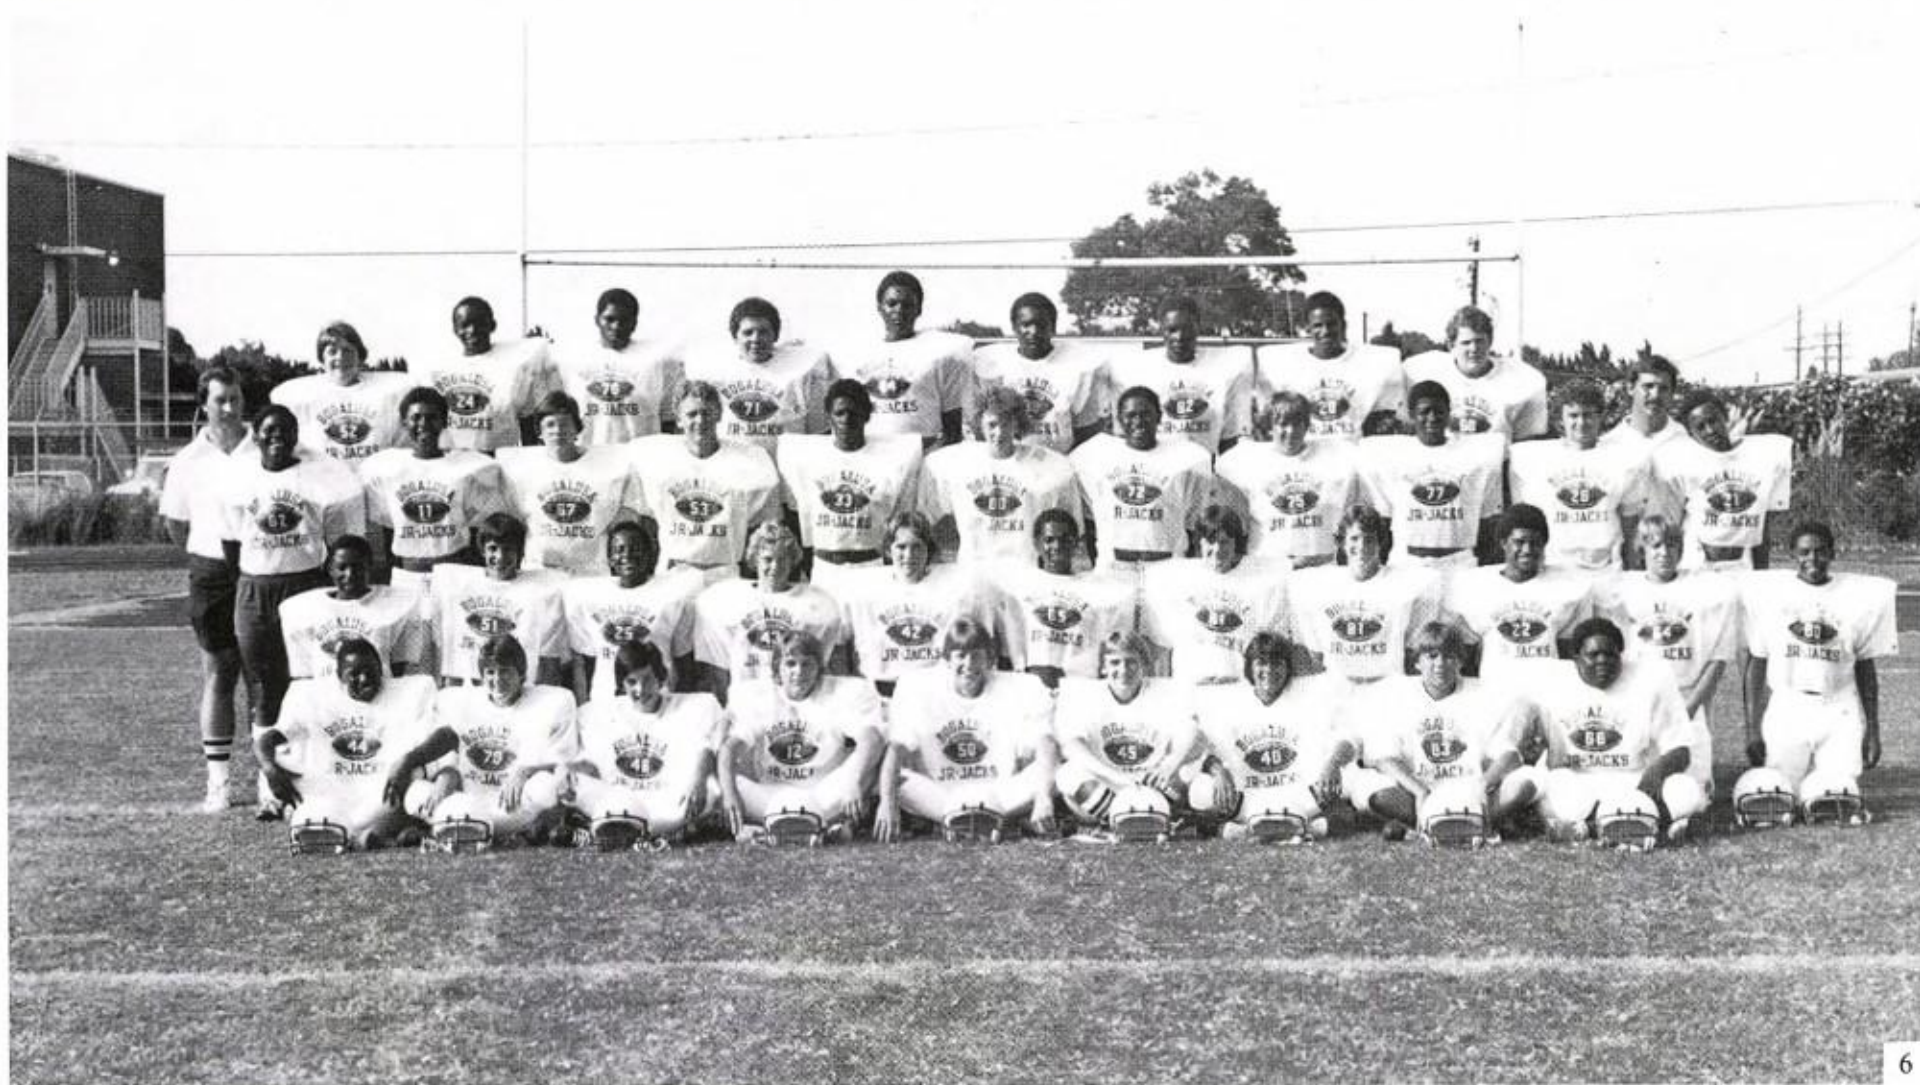

1. Ready for the coin-toss are the Lumberjack captains. 2. Bewildered and shocked is Robert Brown. 3. Disappointed by the outcome of the game, Missy Frazier lets her emotions flow. 4. Jacks Have An Impressive Year

Jacks Top Slidell

Bogalusa enjoyed its first win of the season, beating Slidell 58-55. The Jacks controlled the game the first three quarters as Smith, Magee, and Plummer pounded the boards, while Lundie whipped Slidell downcourt on the fastbreak for easy goals. The Jacks led by 13, 47-34, early in the fourth quarter before Slidell came storming back. The Slidell Tigers tied the contest at 51 and again at 53 before the Jacks ran off four straight points to ice it.

Jacks Whip Salmen

The Lumberjacks won their second straight game, whipping the Salmen Spartans 66-60 in the Skipper Invitational Tournament. Salmen jumped to a 17-12 lead after the first quarter, but the Jacks stormed back to outscore Salmen 17-9 in the second quarter to take a 29-26 halftime lead. Bogalusa led 46-42 after three periods. Salmen cut Bogalusa's lead to one point on three occasions in the final stanza, but Lundie got a hot hand with his 11 points as the Jacks held off the Spartans.

Jacks Whips Kentwood

The Jacks blasted the Kentwood Kangaroos 77-52. The Jacks had an easy time with Kentwood, leading 18-13 and stretching it to 41-27 at the half. The lead grew throughout the second half.

Jacks Exorcise the Demons

The Bogalusa Lumberjacks whipped the Franklinton Demons 58-48 to capture the Franklinton Invitational Tournament. Butter Lundie and Bruce Plummer were named to the boys' all-tourney team.

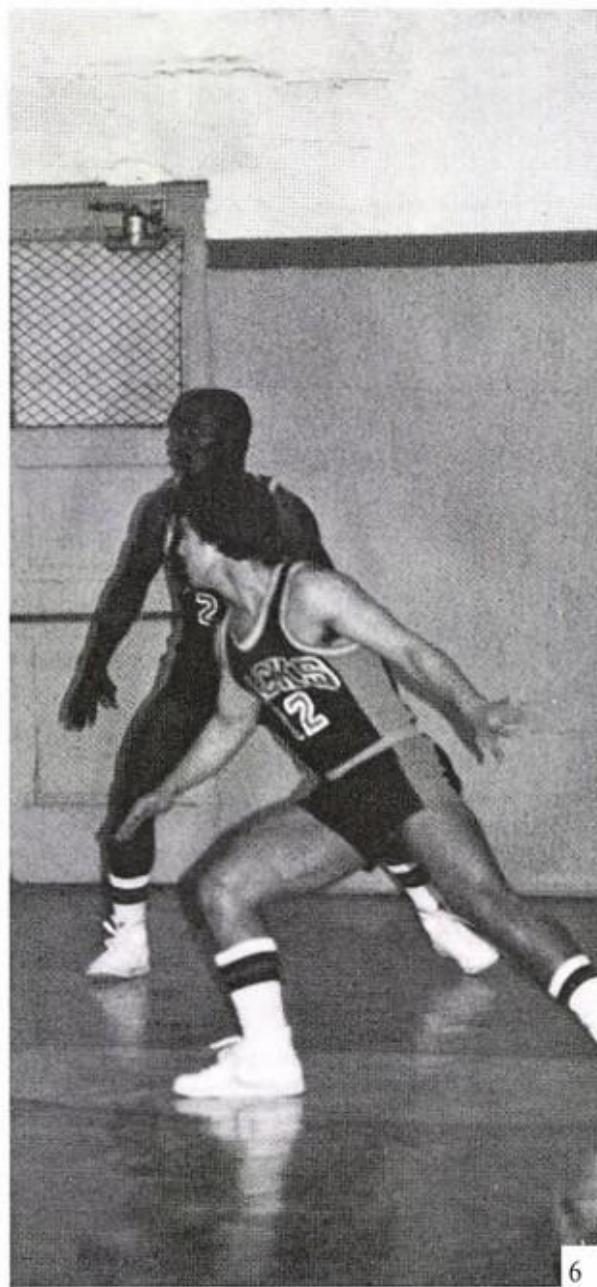

In the Bogalusa-Franklinton showdown, the Jacks stepped to a 31-25 lead at the half, expanded it to 41-32 entering the fourth quarter, and fought off a Demon rally to pull out the win.

BHS Slips By Varnado

The Lumberjacks scored a thrilling 68-64 win over the Varnado Wildcats in front of a large audience swelled by the Bogalusa High student body. The loss was the first for Varnado after 10 wins to open the season. The Jacks trailed 30-27 at the half, but came storming back in the third quarter to grab a 49-40 spread entering the final eight minutes. The Cats roared back to close the gap 64-62 with 30 seconds remaining, but two free throws iced the Jacks' win.

Jacks Edge Ponchatoula

Lumberjacks, holding off a furious fourth quarter rally, whipped Ponchatoula 56-54 in the District 8-AAA opener for both schools. The Jacks were seemingly in total command at the end of the third quarter, leading 46-32.

Jacks Pound Demons

The heated rivalry continued . . . and the Jacks went home victorious by whipping the Franklinton Demons 66-56. The Jacks, unanimous favorites to win the 8-AAA title, led 31-24 at the half. They opened daylight in the third quarter, outscoring the Demons 19-9, to lead by 17, 50-33, heading into the final quarter. Bogalusa fought back a Franklinton rally for the 10 point spread.

Jacks Weather The Storm Over Salmen

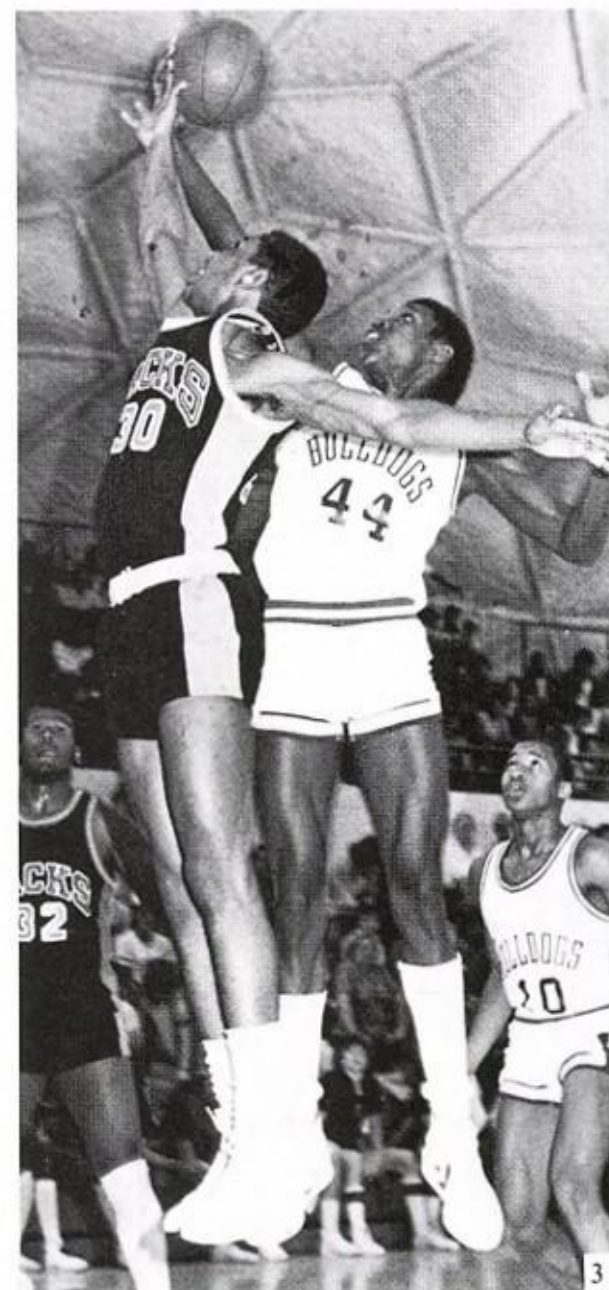

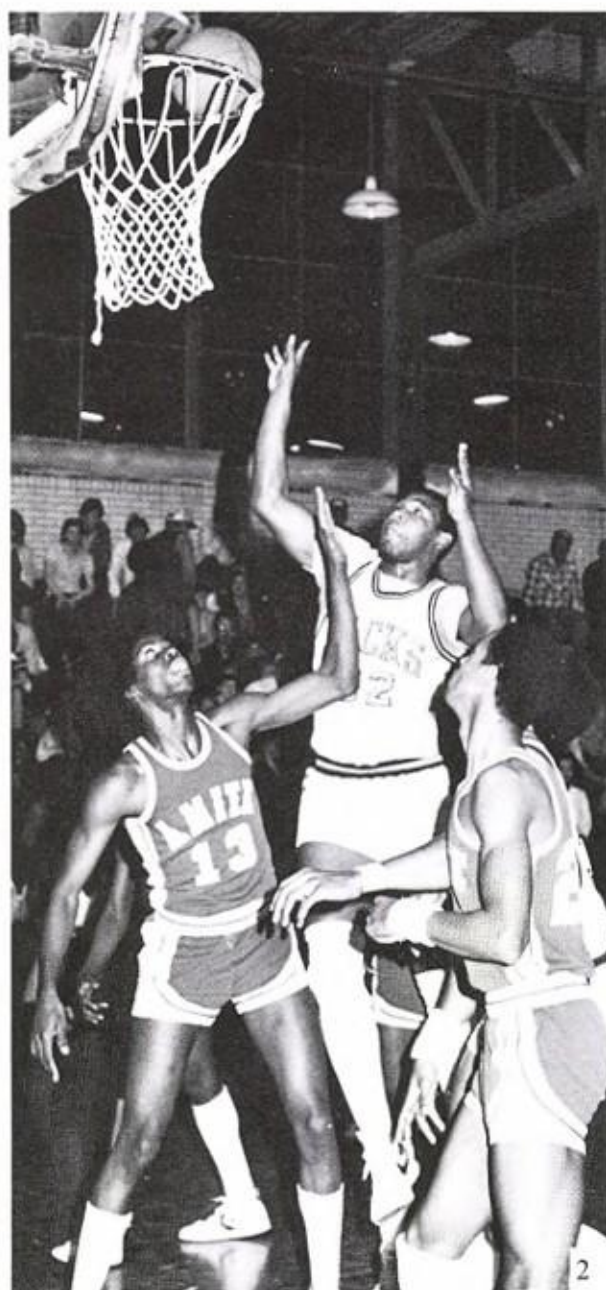

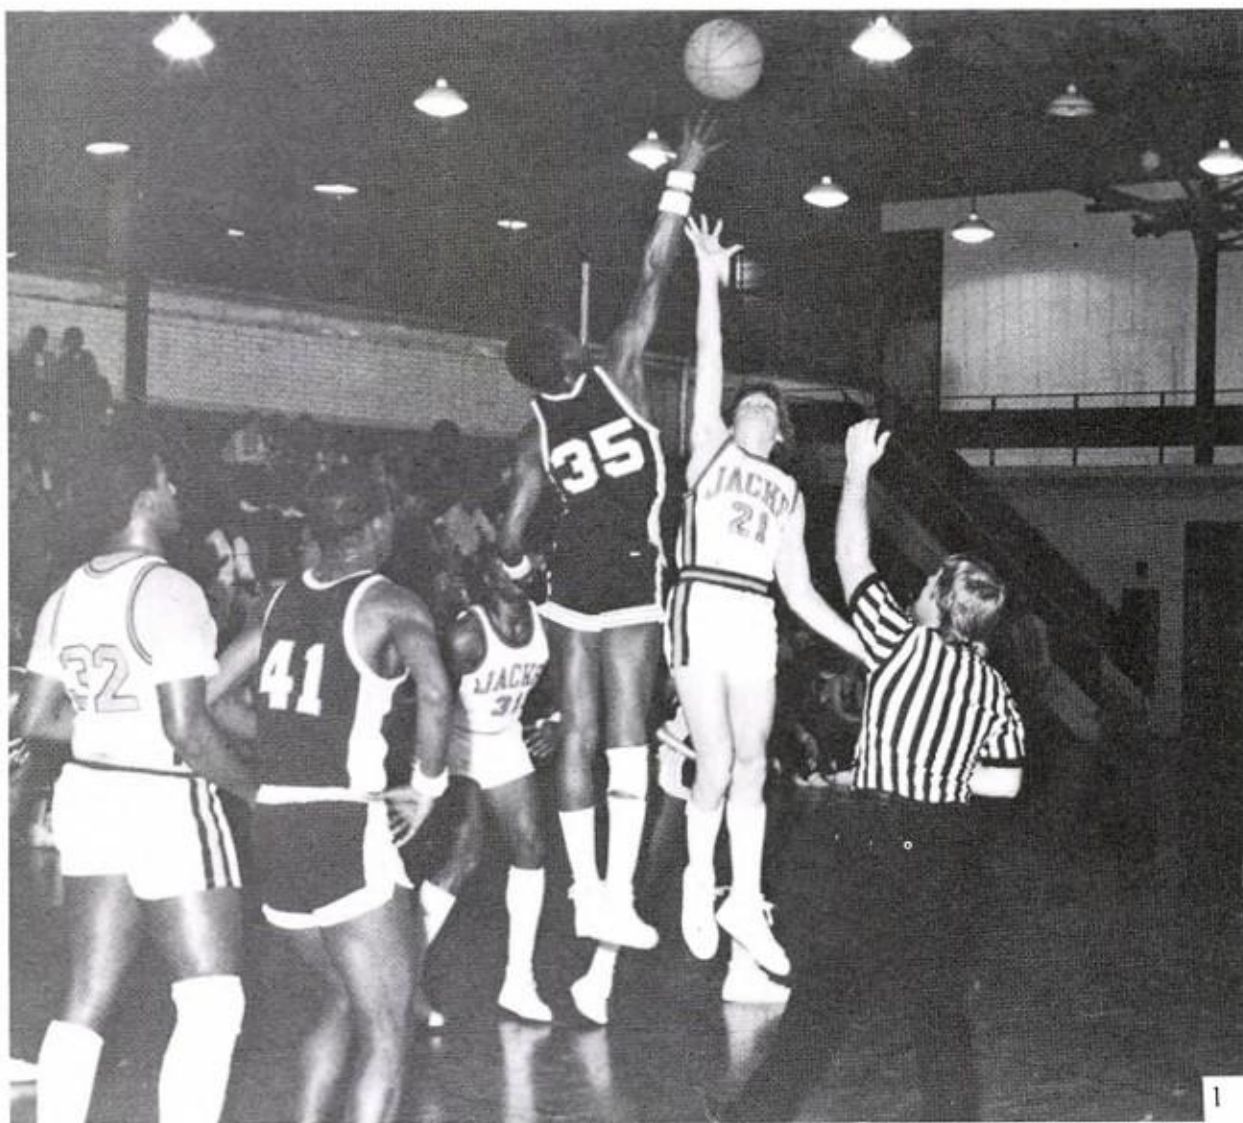

The Jacks led the Salmen Spartans 37-24 deep into the third quarter, and blowoutville seemed only a basket or two away. Those baskets never came. Salmen climbed back into it to turn what appeared to be a no contest into a bitter struggle. Finally, the Jacks weathered the storm for a 57-55 triumph in a contest matching the best two teams in District 8-AAA.

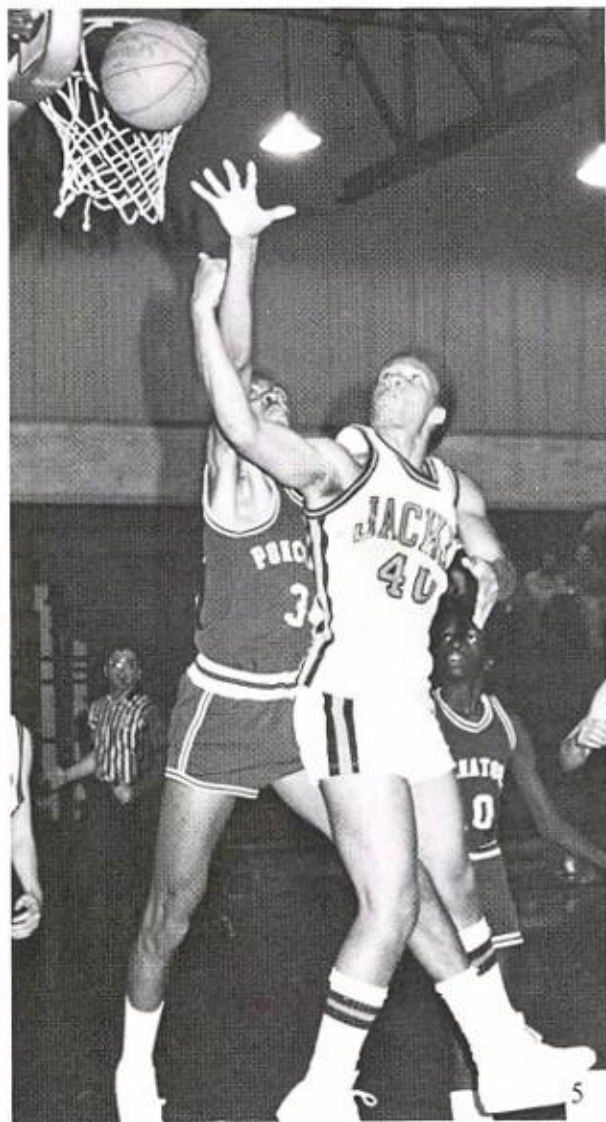

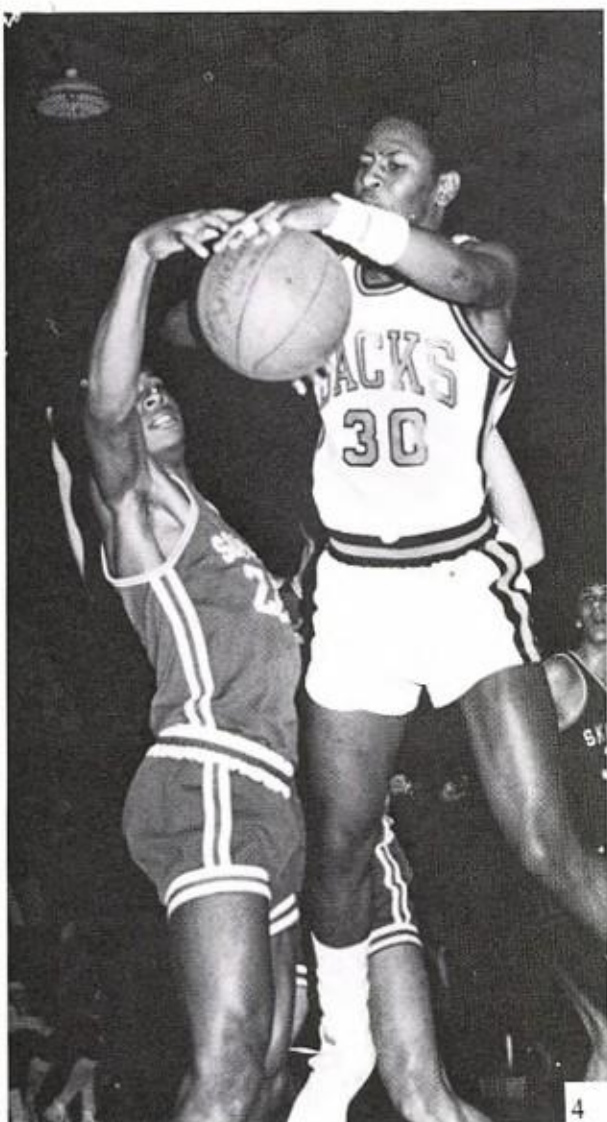

Lumberjacks Comeback Sinks Jackets

The game was tied 35-all at the half. Mt. Hermon opened up a six-point lead entering the final period by outscoring Bogalusa 13-7 in the third quarter. So at the end of three quarters, the Jacks were trailing the Mt. Hermon Yellowjackets 48-42. Then all the pieces of the puzzle fell into place. The Jacks took over the game on both ends of the floor in the final period, outscored the Jackets 24-13, and walked off with a 67-62 win.

Jacks Are Beaten 57-55 At Amite

The Amite Warriors whipped the Jacks 57-55 in a battle for first place in District 8-AAA. The Jacks trailed by six in the fourth quarter before rallying to take a one-point lead, 53-52, with three minutes left. Plummer drilled in three straight baskets to key the rally. The two clubs ping-ponged the lead back and forth until, with one second remaining, Bruce Plummer fouled Willie Jackson in the backcourt. Jackson dropped in two free throws to break the 55-all tie.

Jacks Pop Greenies

The Jacks popped the Ponchatoula Green Wave 68-40 with all five starters scoring in double figures. The Jacks were sluggish in the first half, leading just 12-8 at the end of the first quarter and 22-16 at the half. But the Jacks blew the contest wide open in the third quarter, using a full-court press to come up with numerous steals and layups. The quarter ended with Bogalusa ahead 42-28. The lead continued to swell in the fourth quarter, reaching 65-38.

Lumberjacks Nipped St. Paul's

The Lumberjacks nipped St. Paul's 38-37 on Bruce Plummer's 23-foot jumper with 11 seconds remaining. St. Paul's had an opportunity to score with four seconds left, but Rogie Magee soared high into the air to swat away a St. Paul's shot and secure the win. This game gave the Jacks a 4-0 lead in league play, and put them first in the district, as expected.

Jacks Win In Overtime

Matching the Jacks and the Demons is like dropping a match into a gasoline tank ... an explosion is guaranteed. The Jacks scored a 61-59 overtime win over the Demons in a key District 8-AAABattle. Victory came for the Jacks with one second remaining when Mike Brister hit a layup after taking a perfect pass from Butter Lundie. Lundie had the ball at the top of the key and was closely guarded by two Demons. He went up for what appeared to be a desperation jumper, then, at the last second, spotted Brister and softly laid the ball off the glass, as Lumberjack fans erupted in pandemonium.

Pack Stuns Jacks

Magee had a first in the 200 meter dash, a second in the 100 meter, and anchored two winning relay teams. Toby McSwain was also in the spotlight as he broke the Bogalusa High School pole vault record with a 13 foot 7 inch vault, good for first place at the meet.

The Jacks bounced back after losing the district meet by capturing the Region IV track title. Richard Payne won the 100 meters, Toby McSwain the pole vault, Mike Brister, and Jimmy Williams gave the Jacks a one two finish with Brister getting first. Sean Smith captured the shotput with a throw of 41'7¼". The 400 and 800 meters team of Richard Payne, Rogie Magee, Keathon Brown, and Stanley Pigott first.

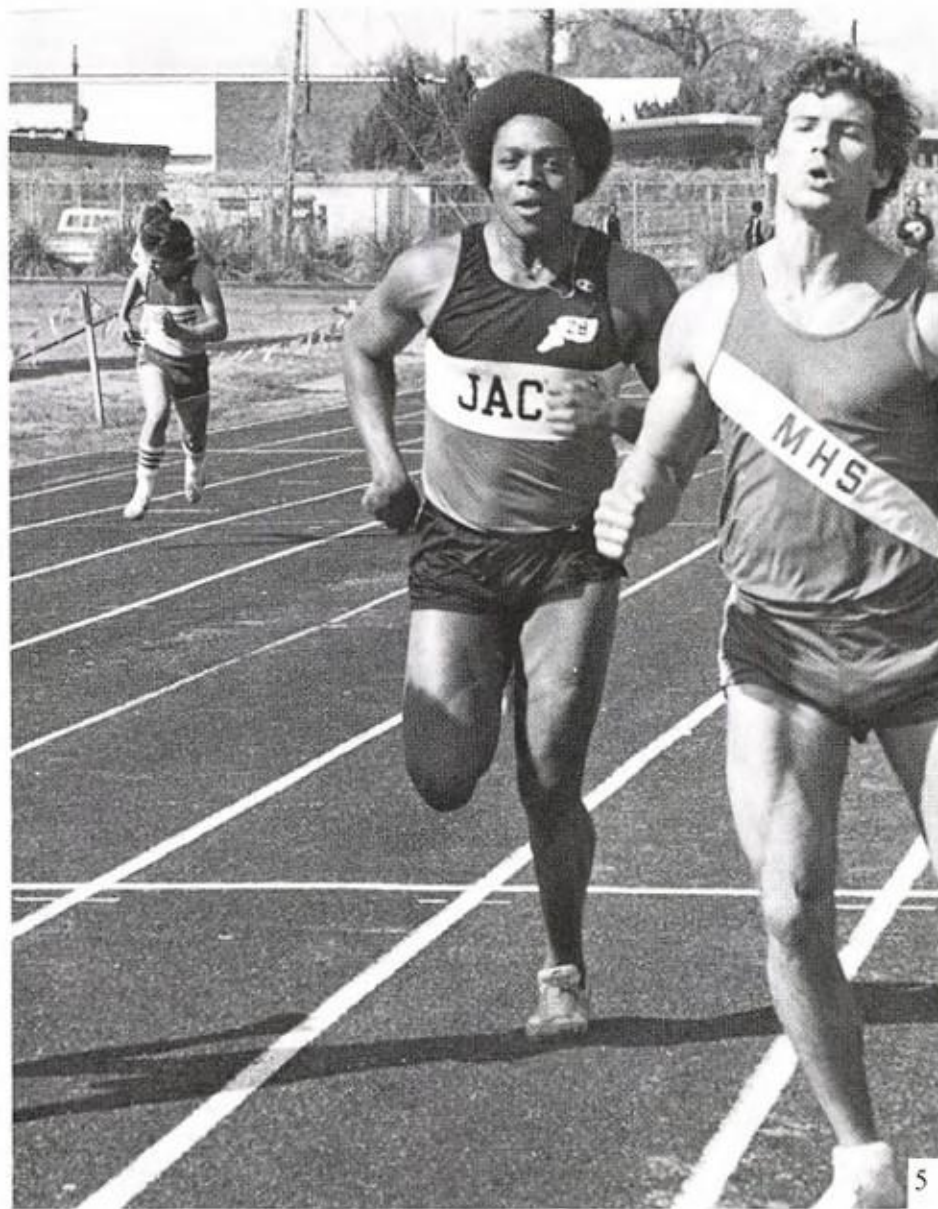

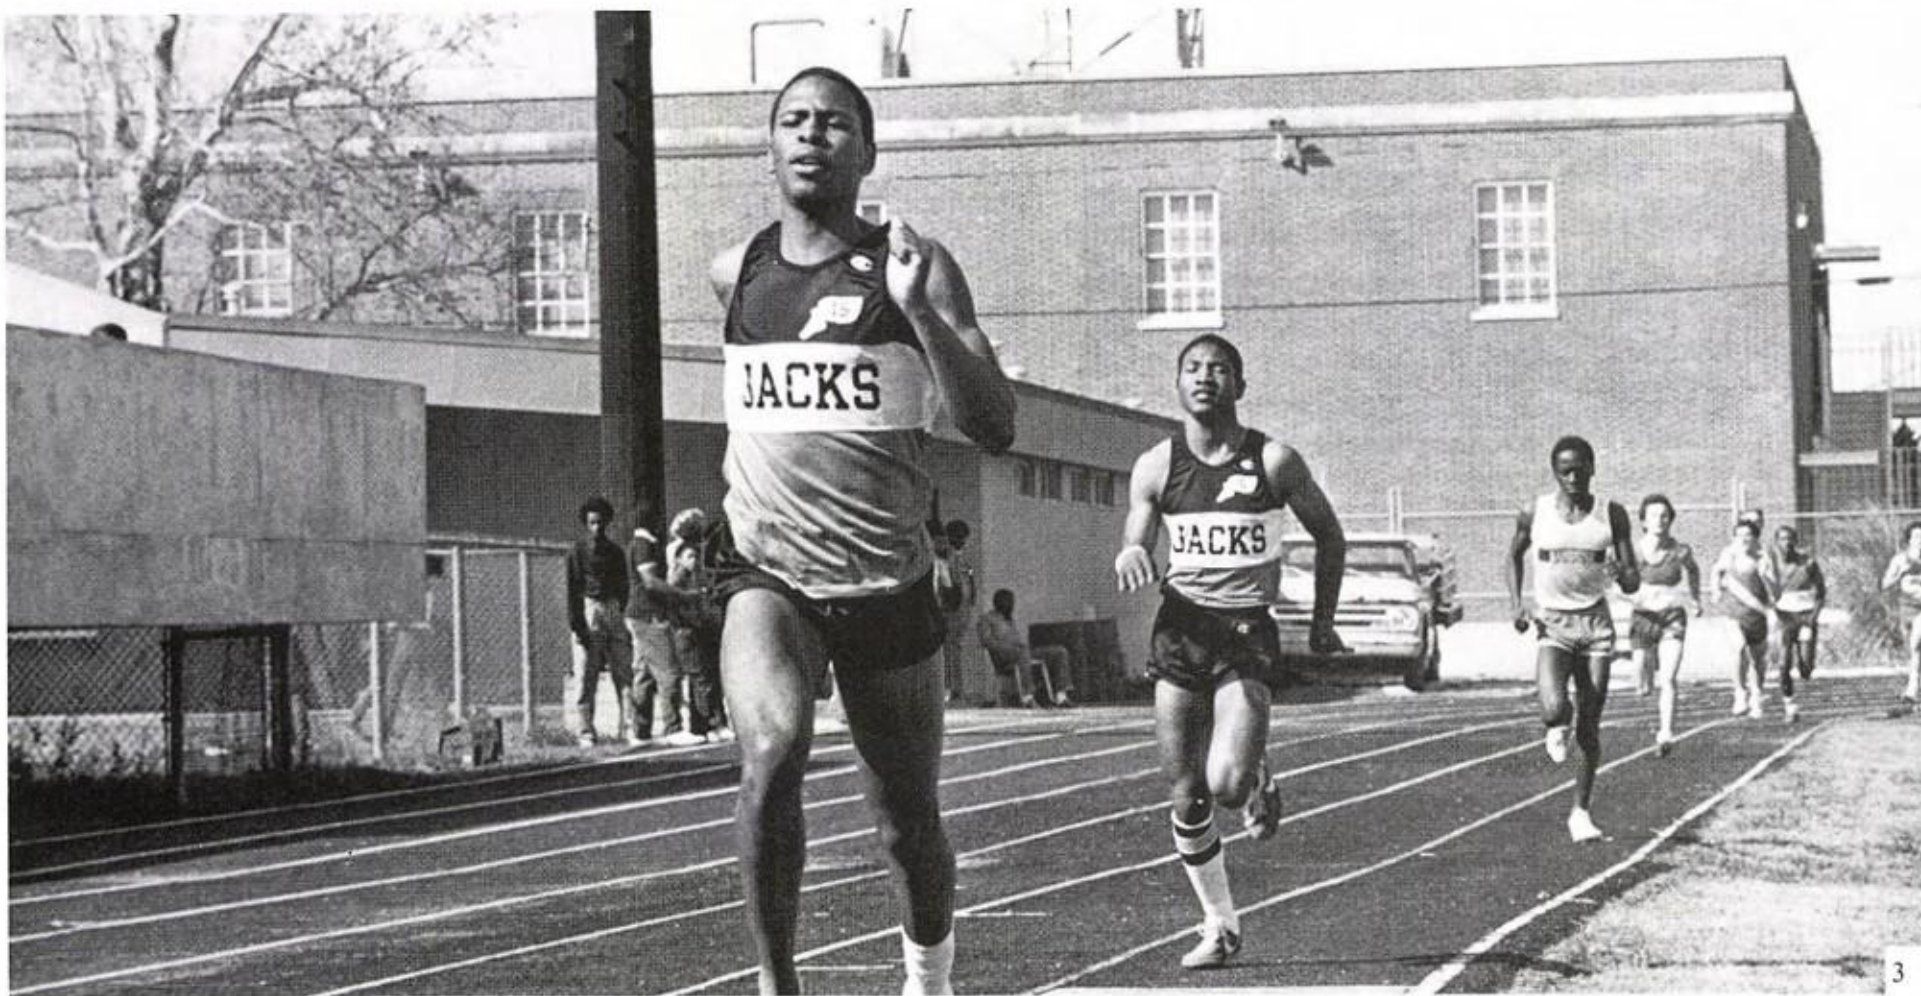

The Jacks went on to place third in state. The Jacks scored in every event entered, but it was not enough to capture the state title.

Picking up first for the Lady Jacks were Aundrell Williams in the 100-meter hurdles; Karen Johnson in the 100-meter dash; and Sherri Fields in the 400-meter dash. Although the Lumberjacks lost their season opener 5-1, it was said that as far as execution was concerned, it was a

good season opener. The Jacks made many outstanding offensive and defensive plays.

Skippers Shell Jacks

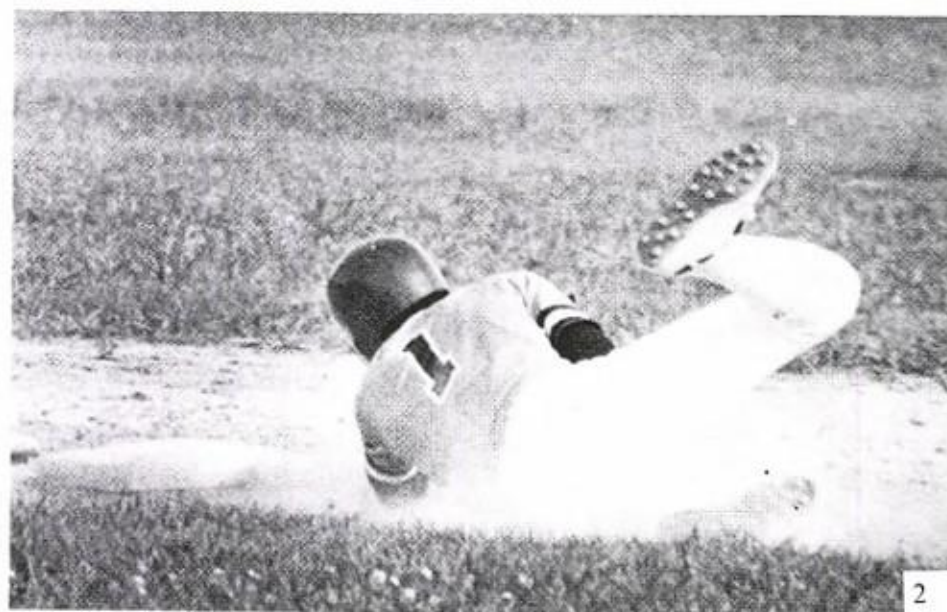

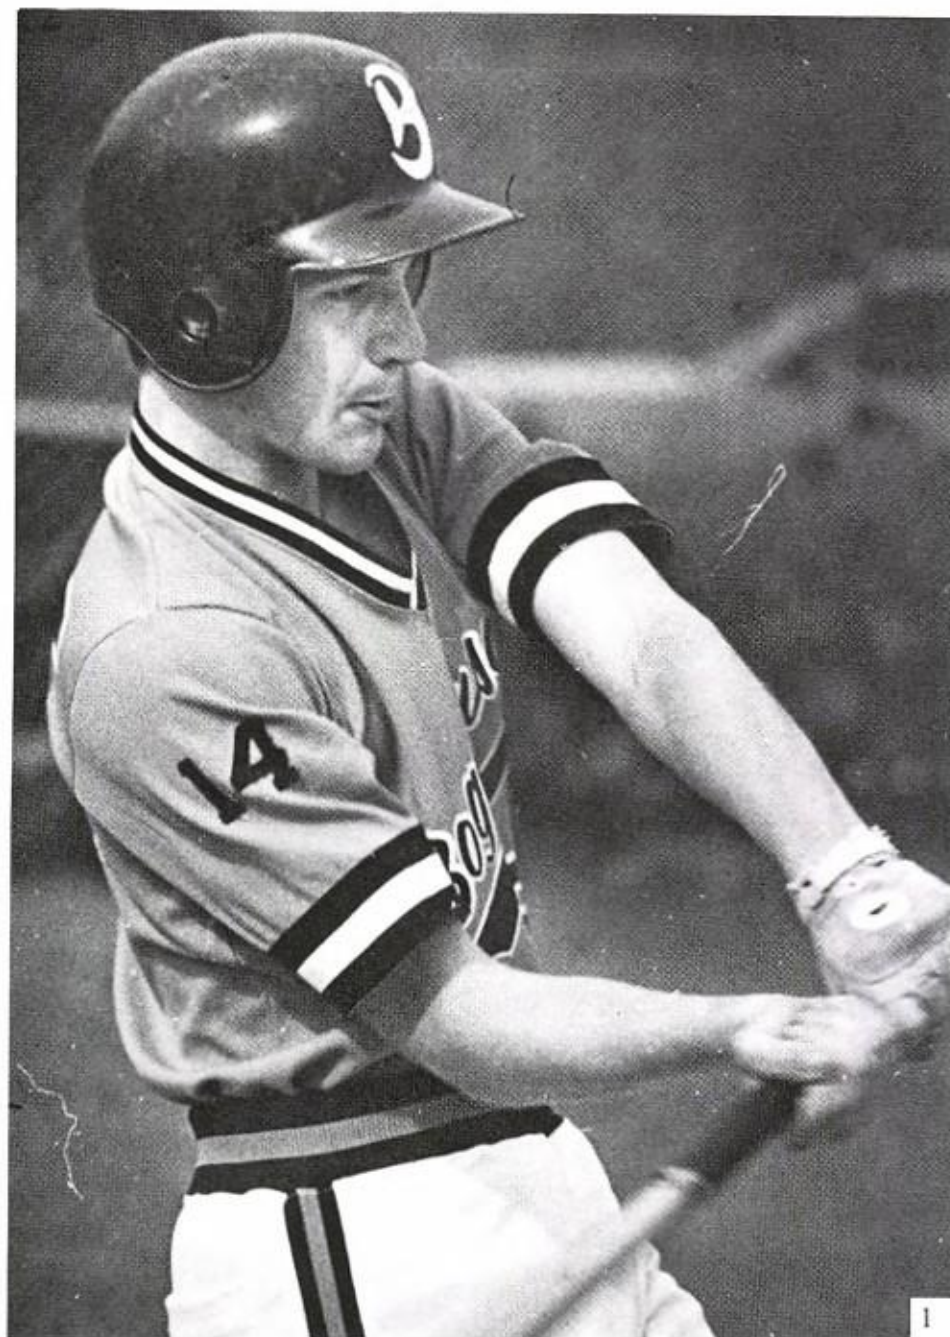

Early in the first inning the Lumberjacks fell behind, 3-0. In the second inning the Skippers poured on six more runs, which totaled 9-0. The Jacks received their only run late in the 3rd inning, and the score remained the same throughout the match, 9-1.

Tate's Home Run Gives Jacks Win

J.J. Tate's dramatic two-run home run with two out in the seventh inning lifted the Jacks to a 7-5 win over the Salmen Spartans. Tate, a first baseman, jumped on a fastball and drove

it far over the fence in left field as the Lumberjack players and fans erupted in pandemonium. His blast capped a three-run rally by the Jacks that wiped out a 5-4 lead by Salmen.

Jacks Smack Pack

They don't come much sweeter—the Jacks whipped the St. Paul's Wolves 3-1. The Jacks had suffered a crucial loss in the first inning when Al Ratliff was spiked on a steal to second base. The Jacks tied it in the fourth inning when Bruce Plummer walked, stole second, moved to third on a groundout by Lundie, and scored on a sacrifice fly by Derrick Timmons. In the bottom of the sixth with the score tied 1-1, Butter Lundie hammered in a two-run homer that won the contest.

Jacks Clinch Playoff Berth

The Jacks tied for the District 8-AAA title by whipping the Franklinton Demons 9-1. The game was a continuation of a game that had been stopped because of rain in the third inning with the Jacks leading 5-1. Play began in the bottom of the third inning. The Jacks picked up right where they left off, riding the pitching of Al Ratliff and the hitting of Bruce Plummer to win. The Jacks upped their lead to 6-1 in the fourth inning when Mike Ward doubled to right and scored on a throwing error by Franklinton. It grew to 7-1 in the fifth inning when Plummer hit a shot to right for a single, stole second and moved to third on a single by Lundie. The Jacks wrapped up the scoring in the sixth inning when Ward walked, stole second and scored on an error.

Playoffs Bring Excitement and Disappointment

Destrehan Bows To Jacks

There was no action seen until the fourth inning when Destrehan took a 1-0 lead. The fifth inning showed very little action and no score change. Later in the sixth, Bruce Plummer hit one far over the rightcenter fence, which made it 1-1. The next five innings were of the same nature as the fifth inning with some key plays on Bogalusa's part. Neither team was seriously threatened until the bottom of the 11th, when the Jacks rallied for the win, to make it Bogalusa's win, 2-1.

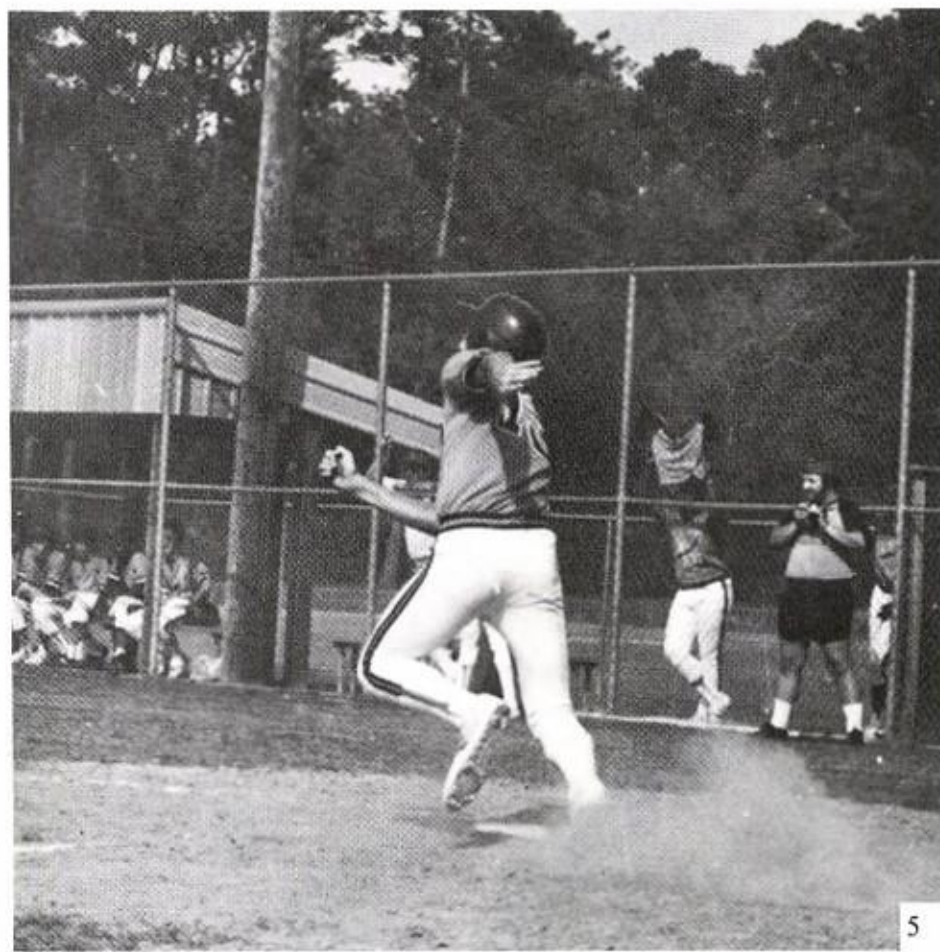

Jacks Whip Cecilla

Early in the match the Jacks fell behind 3-1, but later exploded in the sixth for three runs to make the score 4-3. The Jacks scored again in the next inning to make it 6-3. Not much happened in the coming innings except good defense for Bogalusa to hold on to the 3 point lead. The Jacks went through the next innings to hold on to this victory for the Bogalusa Lumberjacks. The score read Bogalusa 6 to Cecilla 3.

Jacks Fall to Floyers

The game showed a lot of action but no score in the first five innings. When Loyola jumped to a 2-0 lead over the Jacks, Bogalusa rallied to a tie later in the sixth inning. After a scoreless seventh inning, the Floyers broke loose to make it 4-2. Later, the Jacks received another win, but not enough for a victory.

Tennis: A Smashing Success

English, Foreign Language, Speech Provide Varied Study

When students enter high school, a list of required subjects is often the first thing they obtain. Your typical freshman might gasp in horror as he reads "English I, II, III, and IV—required credits." We've all been through the traumas of sentence diagramming, yet English at Bogalusa High offered the opportunity to learn more than just grammar. Students experience famous novels and short stories. Their eyes were also opened to poetry and its meanings, a study of mythology, and the learning experience of writing compositions and research papers. As one soon discovers, English is more than learning and relearning grammar, it is a

whole great world of knowledge and imagination unveiled for every students' benefit.

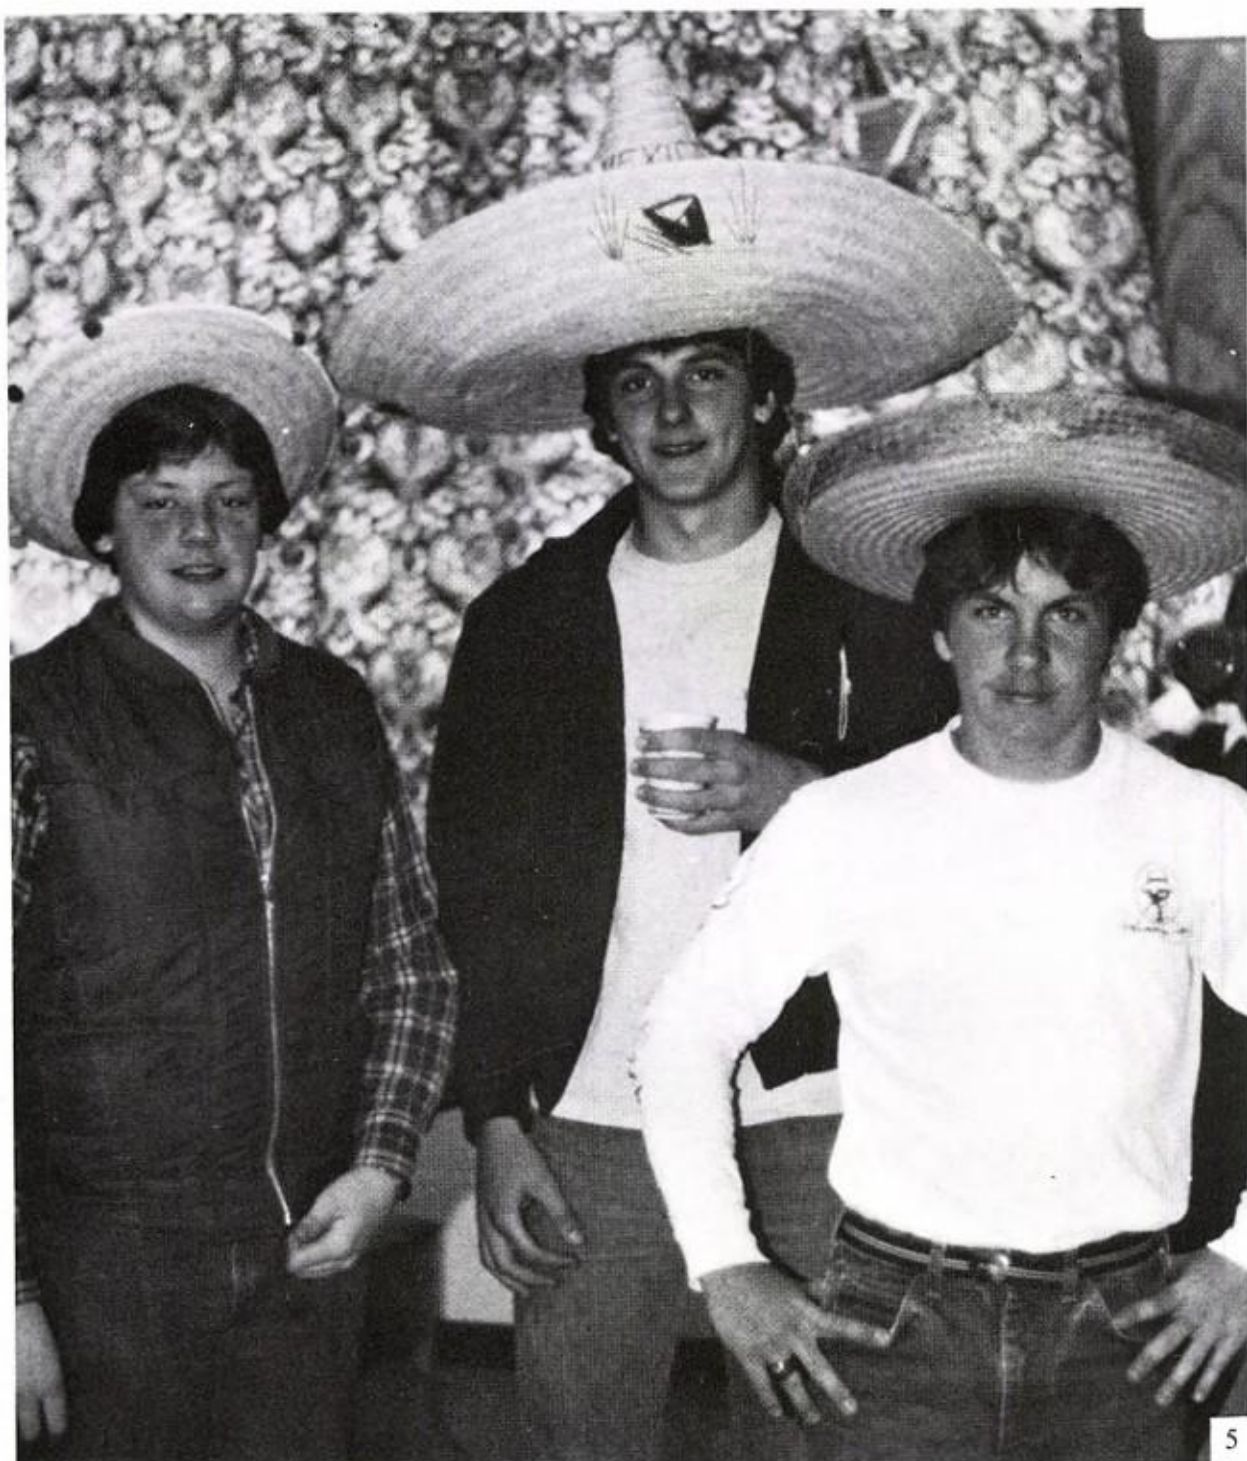

Speech deals with self-expression. Students are placed in all kinds of speaking situations ranging from simple conversation to public address to debates. Speech students also work on sets and stage management in preparation for presenting the class play.

Our foreign language department provides an intense study of French, Spanish, and Latin. Students learn pronunciation, sentence structure, and verb forms. Along with writing exercises, foreign language students practice listening and speaking skills. The

mind-broadening experience of these classes definitely gives students a touch of continental class.

1. Christmas pinatas were enjoyed by all the Spanish classes. 2. Enjoying a quick breather is Mrs. Starnes English IV class. 3. Practice Makes Perfect

Mathematics is a highly specialized and complicated subject that requires an excessive amount of devotion. Precision and accuracy are a definite necessity. The course itself is an exception in that it does not get easier as one becomes more familiar with it. The deeper one gets into the format, the more involved and more rigid it becomes. The one thing that does make it easier is familiarity and practice. The only time a concept becomes easy is when one has worked a problem a countless number of times.

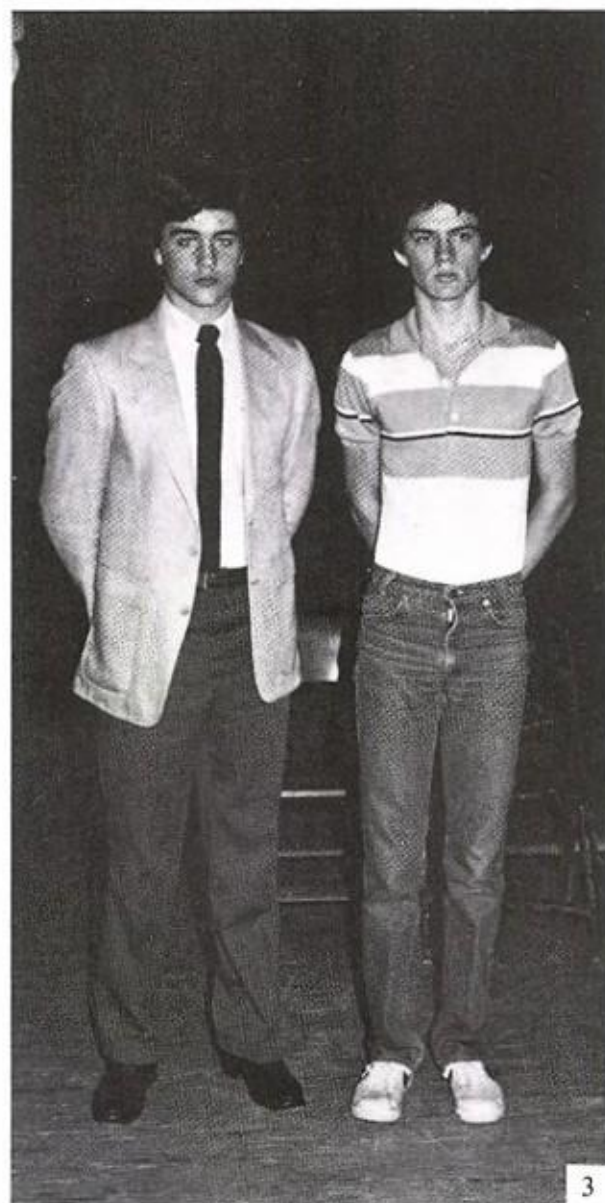

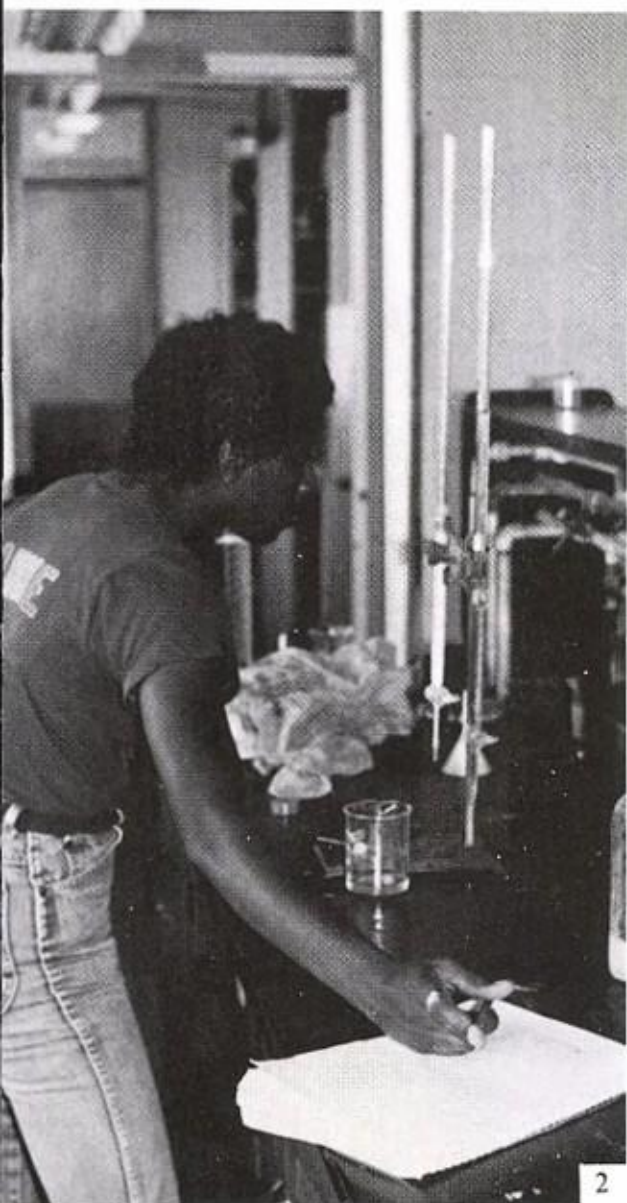

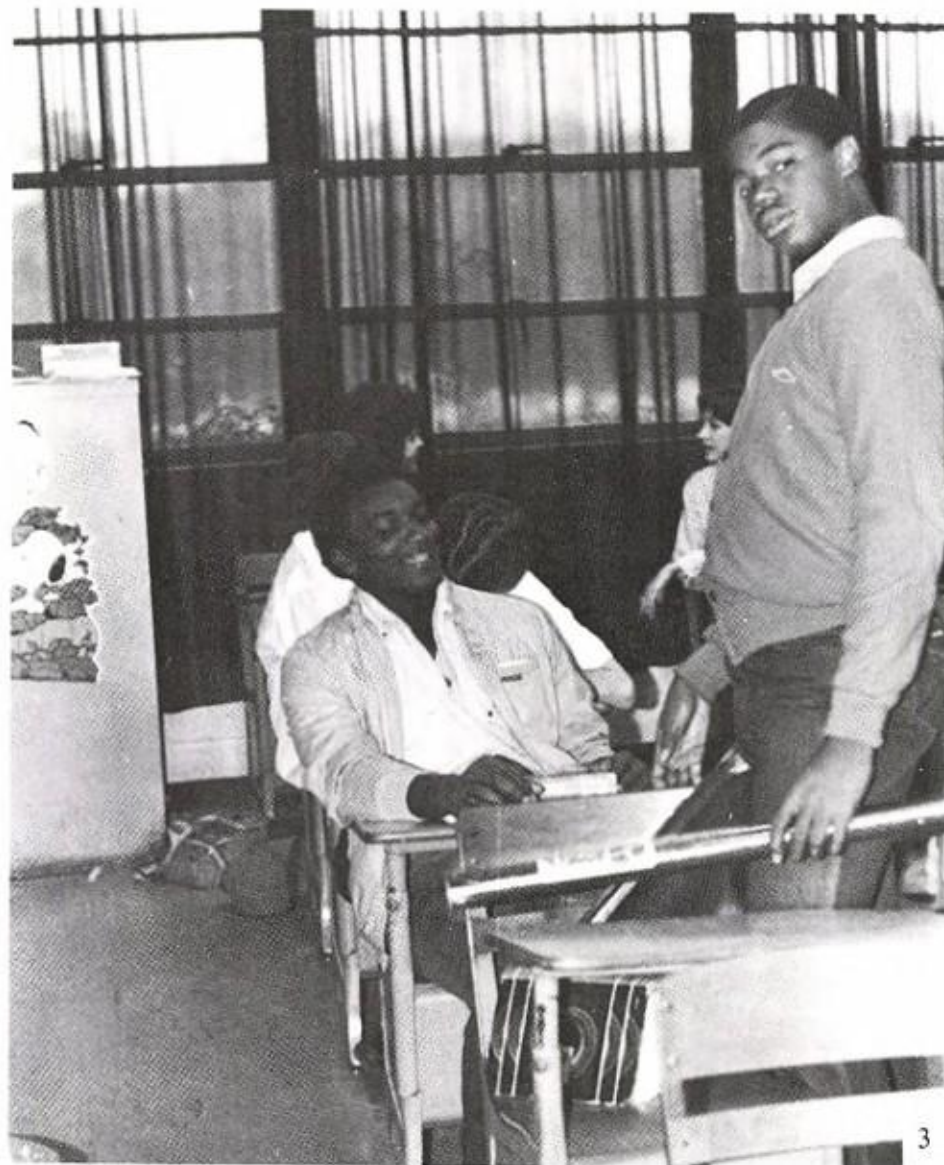

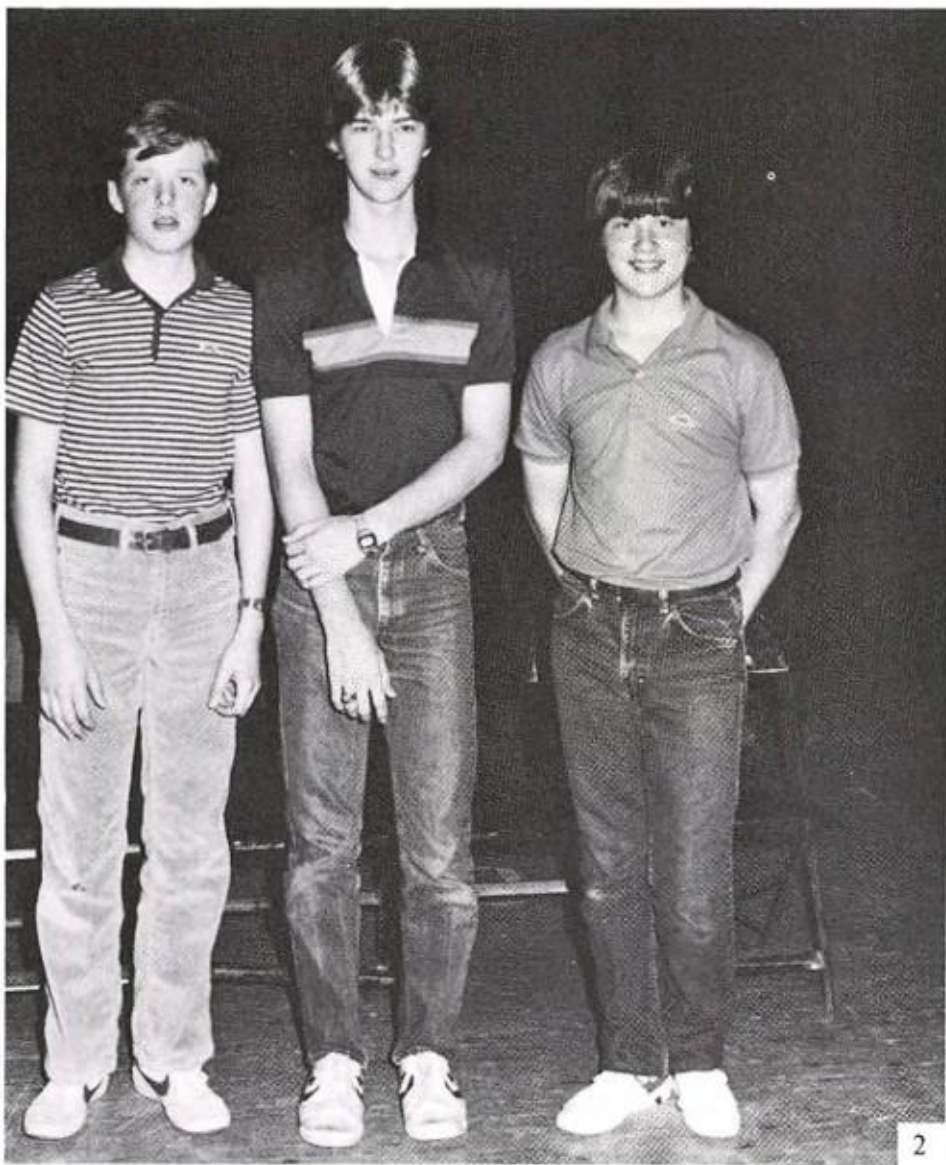

1. Senior Paul Williams types in the latest assignment for Mr. Horne's computer science class. 2. Mathematics Departmental Award Winners: Joel Patrick, Geometry; Denny Knight, Algebra II; Rick Thompson, Algebra I. 3. Calvin Martin and Byron Adams sure look like they would like to forget their Algebra I assignment.

Understanding The How and Why

Students at Bogalusa High are required to take two full years of science. But like so many students, some take all four offered courses, from general science, as a freshman, to biology as a sophomore. Then some of the students proceed to chemistry and then on to Physics.

The general science course takes in a broad range of related subjects. Biology includes the study of physiology and the anatomy of plants and animals. Chemistry, a more advanced science, deals with chemicals, formulas, and detailed work with the periodic table. Experiments are also a major part of this study.

1. Science Fair Winners. 2. Dianne Way concentrates on the results of her Chemistry experiment. 3. Science Departmental Award Winners: Paul Carney, General Science; David Massengale, Biology.

Students Read of Present, Past

It has been said that man learns from his past mistakes. A study of history, not only of such tragedies as wars, revolutions, recessions, and famines, but of such triumphs as treaties, breakthroughs in medicine and law, and the gain of freedom, teaches us much about our future.

The study of how our government works—and why—is definitely necessary to insure that we will be able to properly function in a world that is becoming increasingly difficult to understand.

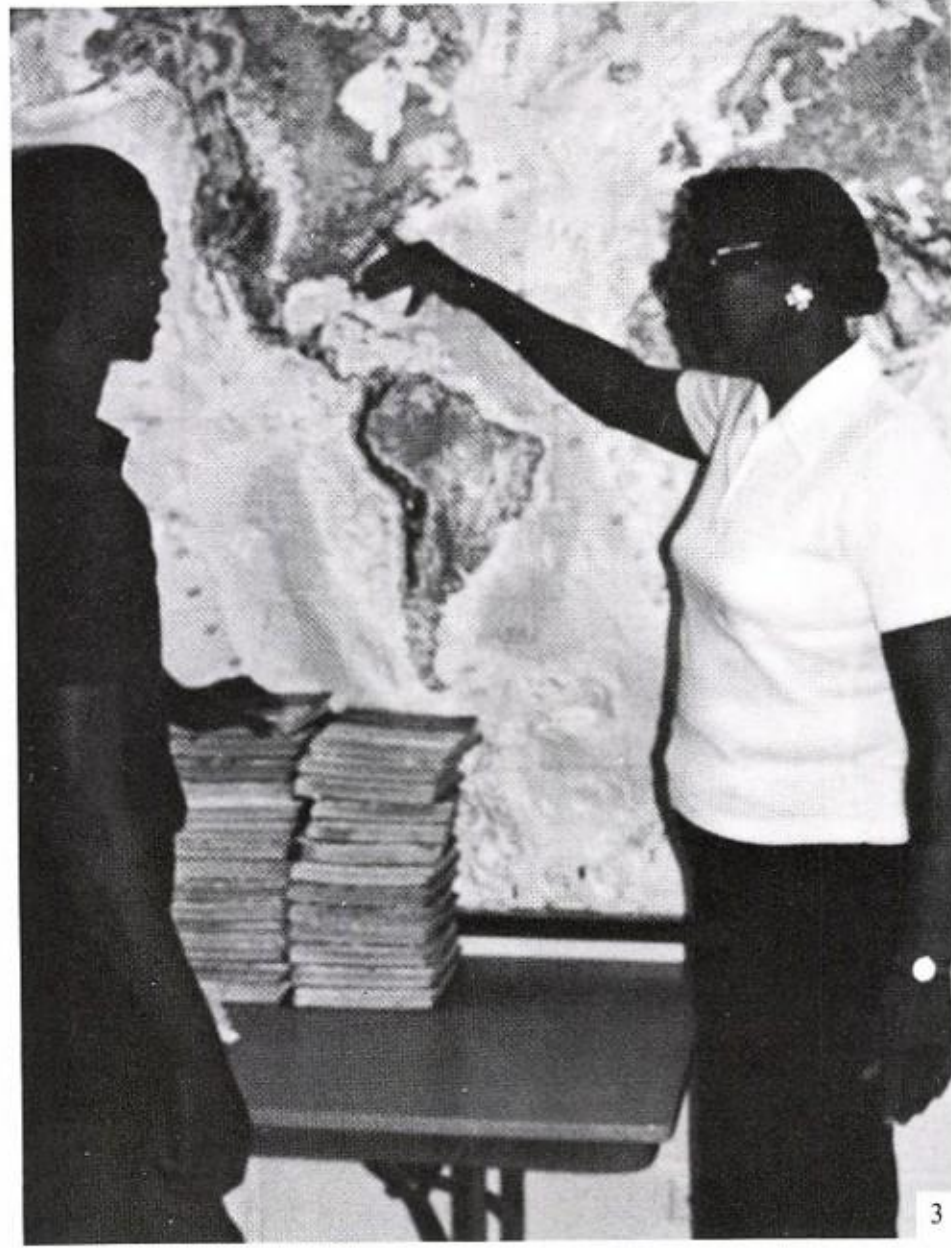

American history is just as the name describes—the study of the history of the United States from the landing of the Pilgrims to current events.

Civics is more specifically a study of United States politics, including the rights of American citizens and how a bill is passed. This class keeps students up to date with the news.

Free enterprise is not a study of government, but of U.S. free enterprise and capitalism, meaning that citizens control businesses, not the government.

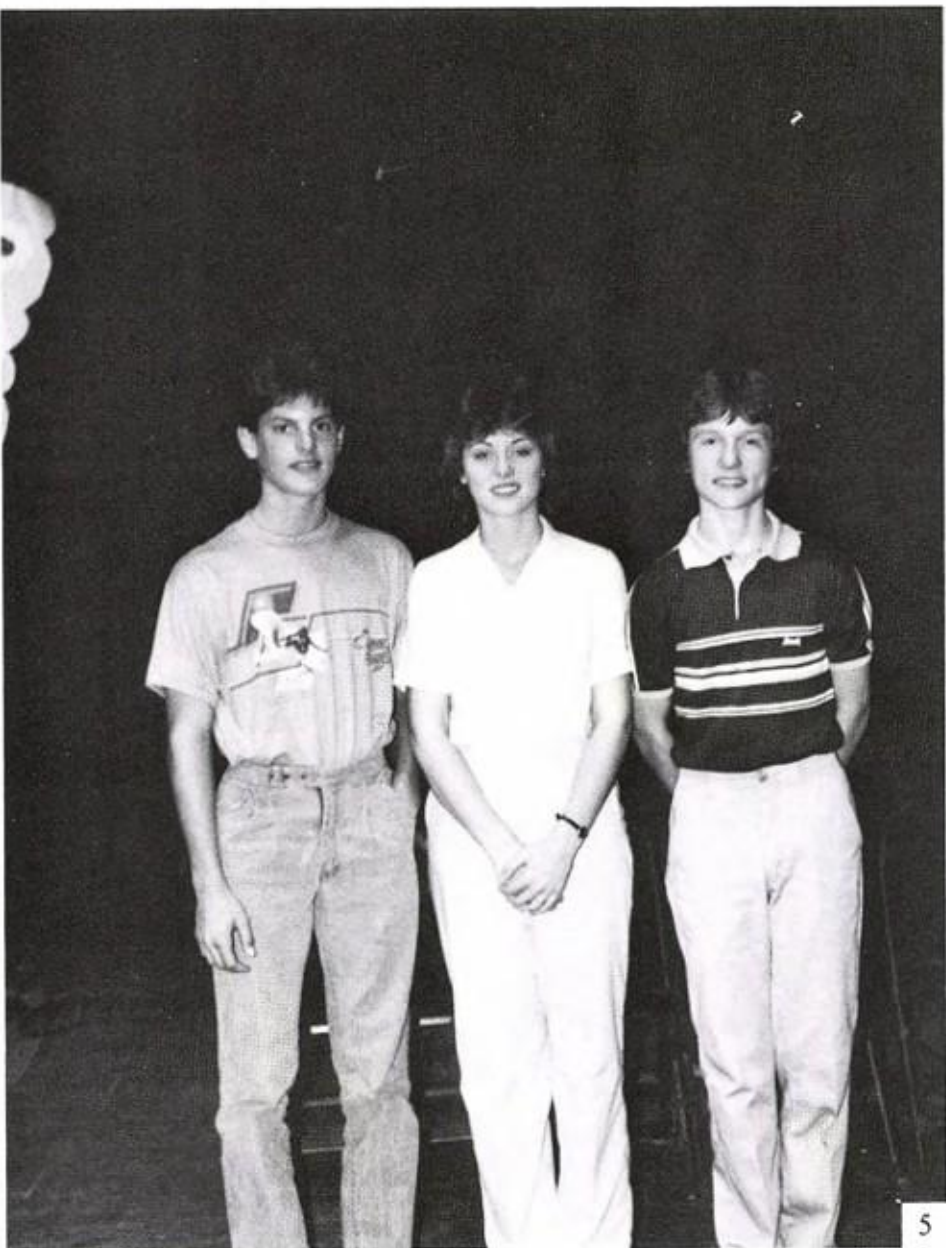

World history, sociology, and geography, though not required courses, are also very educational. These classes help us in relating to others and in understanding one's own self and values.

1. Trula Haley and Ximaena Thomas work together on an American History project. 2. Bryan Phillips and Patrick Foster explain the Declaration of Independence to the Civics Class. 3. Mrs. Giddens helps Clayton Jackson determine the distance between Bogalusa and New York City. 4. Getting In The Shape Of Things

The main goal and objective of the physical education department is to reach the physical, mental, emotional, and social well-being of each student. In the curriculum of P.E., many different sports are taught, ranging from volleyball to weight-lifting. Classes in health provide first-aid techniques such as CPR, used in emergencies.

Through the driver education program, students learn the fundamentals of operating and parking a car, and the rules and regulations everyone needs to

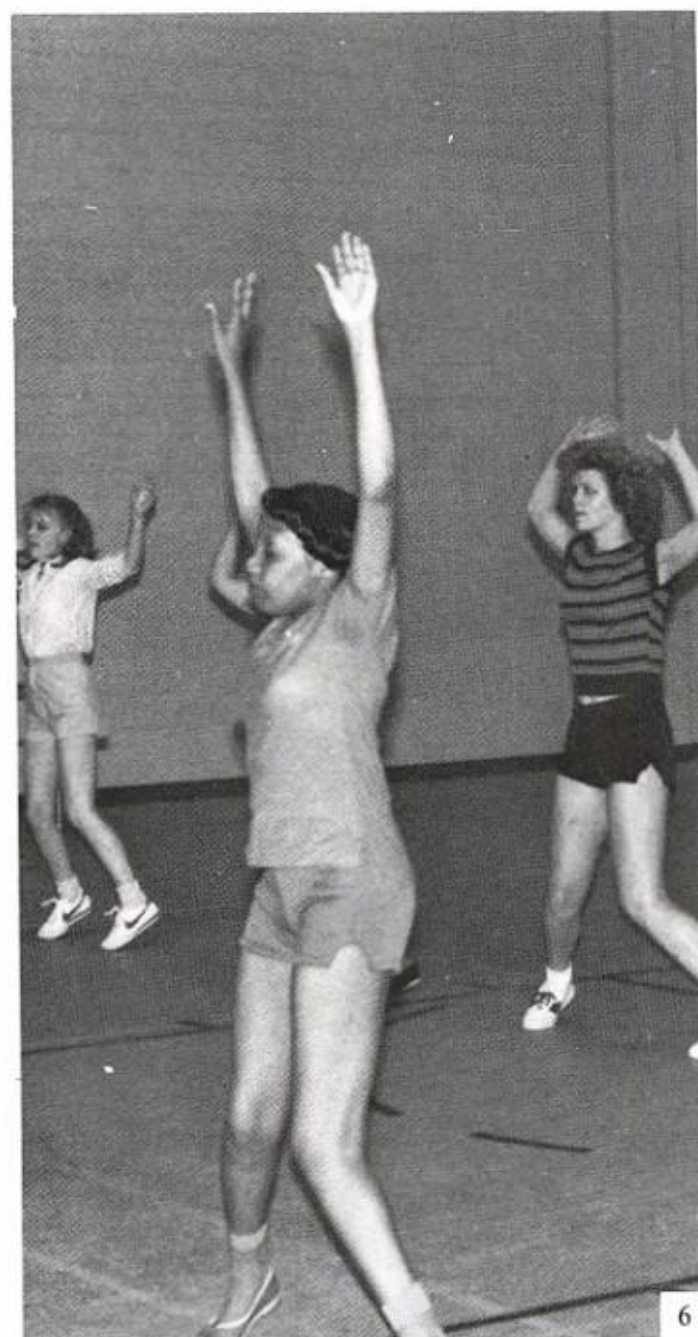

drive safely. Finally drivers take to the road and drive off into a future of safe driving.

1. Rolling a strike is a thrill for bowlers. 2. Trainer Buck Jordan takes Barry Richardson's blood pressure as part of a preseason check-up. 3. Aerobic dancing keeps everyone in shape. 4. Volleyball involves coordination and skill. 5. Wrestling adds variety to the physical education activities. 6. In physical education, exercise is a necessity. 7. The baseball team players were excited when they won the District Championship. 8. Physical Education Departmental Award winners: Carla Wilson, Cindy Abrams, Phillip Bryan.

Student Interests Are Broadened By The Arts

The curriculum of Bogalusa High is not limited to academic and occupational courses; it also includes several classes in fine arts. Among these are art, band, and chorus. Both the art and music departments at BHS afford any student the opportunity to develop his talent by enrolling in either art or chorus or both.

A display of the talents in both music and art can be heard and seen in the yearly music festival and the art show given by the respective departments.

During the year the several classes of the art department accomplished a variety of interesting projects.

Band, besides performing, is also a music class. While working on music for football games and concerts, the band members also learned how to determine rhythms of popular and classical music.

Chorus classes worked on different types of choral music selections and also practiced pieces for honor choruses throughout the year.

1. Departmental Award Winners for Art: Heidi Herring and Carmen Martin. 2. Displaying their work are art students Carl Jefferson, Reggie Jackson, Heather Pigott, Don Bates, and Mike Pounds. 3. Ag Is The Countryside Of Life

Agriculture is a class to prepare students for life on a farm. Bogalusa High is one of the many schools in our parish to offer Ag Classes. Agriculture is taught by Billy Passman and Rodney Brown. Classes available are Ag I, II, III, IV and Ag Lab.

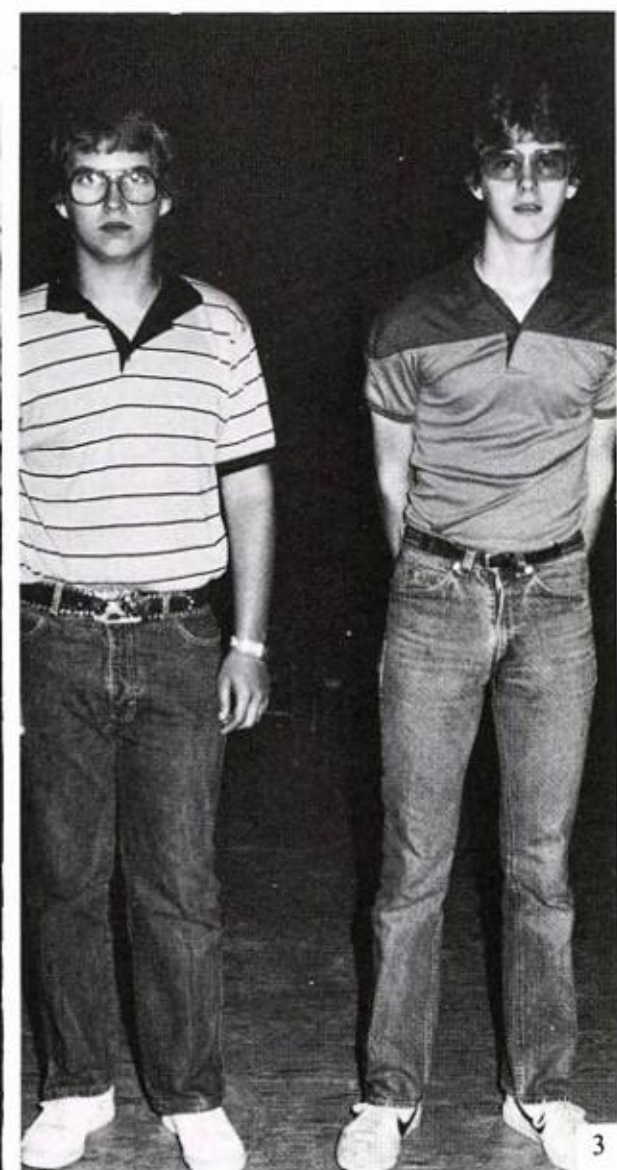

Ag classes follow regular classroom procedures. Another part of the classes

is the actual raising of livestock. Ag members are also taught gardening and how to use insecticides. They learn welding and meat cutting, also. Students who take Ag classes usually join Future Farmers of America. This is a club for students interested in farm life activities. FFA is just one of the many experiences offered to the agriculture

student. Ag is a great learning experience and gives students a very knowledgeable foundation of life on a farm.

Builders of Tomorrow

The industrial arts department offers to the student the advantage of learning more of what the work-a-day world may have in store for them. Students learn the basics of wood-working and welding, including procedures such as using the hand and portable electric power tools. Opportunities are provided for students to design and build projects. Gaining knowledge of basic carpentry and construction work comprises the student's second year in industrial art. The skills and work habits that these students learn will help prepare them to be the builders of tomorrow.

1. Industrial Arts Departmental award winner Dalton Williams. 2. Many of the industrial arts students enjoy wood-working the best. 3. Mr. Boyle's sixth period shop class.

There's No Class— Like Home Economics

As tradition goes, the place for a woman is in the kitchen. Modern men and women have broken this tradition. They both share the duties in the kitchen and around the house.

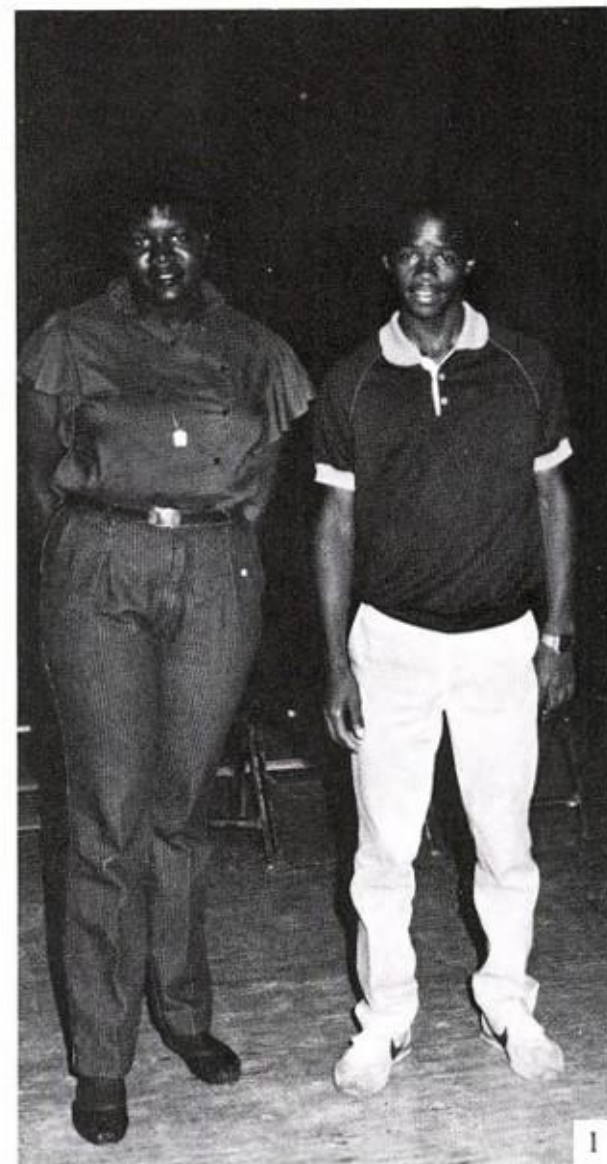

At Bogalusa High School the home economics department teaches basic skills in cooking, sewing, self-survival, child rearing, home design, and maintaining a marriage.

Our world is full of technology and advancement, yet the traditions of family and home are alive and well, and Bogalusa is helping to keep it that way.

Home Ec I and II center around sew-

ing and cooking. As students progress to Home Ec III and IV, they combat special problems in sewing and study gourmet cookery, entertaining and hospitality. Many other popular courses are a part of Home Ec, such as Home and Family Living, Housing and Equipment, Independent Living and Child Development. These help students prepare for their future as adults.

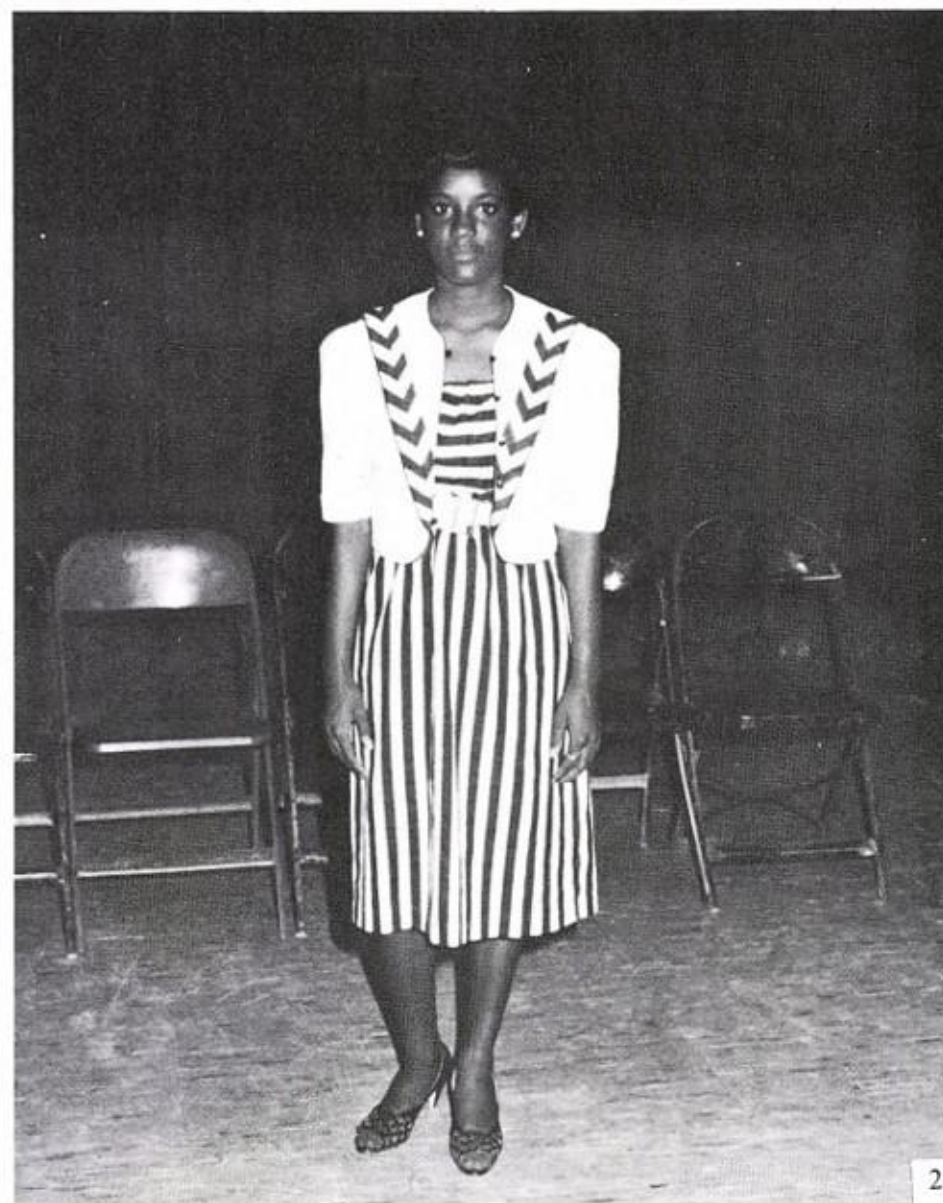

1. Home Economics Departmental Award Winners: Sharva Hampton and Kenneth McCray. 2. Mrs. Dee helps Walter Peters practice the art of sewing. 3. Kim Fortenberry works hard to get her new outfit "just right".

FFA Provides Farming At Its Best

When a student enters the scheduling arena and selects Agriculture I, II, III, and IV, there is an extra activity that they automatically become part of—the BHS Chapter of FFA. The Bogalusa Chapter enjoyed an active year with 170 active members. Many money-making projects kept the members busy, such as selling sausage, FFA caps, tickets to car washes, and horse shows. Displaying all kinds of prize livestock, the FFA members also participated in parish, district, and state shows. The small engine team won a 3rd place at LSU's judging contest; FFA also entered the Parliamentary

Procedure and Public Speaking contest held in Washington Parish. Under the leadership of Billy Passman and Rodney Brown, activities for FFA were planned in great detail at monthly meetings. All in all, FFA had a prosperous and exciting year, continuing in thier tradition at Bogalusa High School.

Practice Makes Perfect

Thanks to the BHS Paperdolls, half-time at football games was never boring. Performing their dance routines to a variety of popular songs, the Paperdolls proved not only to be talented, but also school spirited. Aided by their sponsor, Mrs. Beth Breland, the Paperdolls' precision-performances ranged from "Pac-Man Fever" to "We Got The Beat", among others. Besides performing during half-time and pep rallies, the Paperdolls also marched in a number of parades, worked on fundraising projects, and attended summer

¡Viva Español!

The members of the Spanish Club enjoyed an active year. There were swimming parties and bar-b-ques at the "casas" of Gary Seal and Rebecca Gill. The group went to Deona Boones for a Halloween costume contest. The students took two trips to New Orleans, one trip involved a meal at Anything Goes and the other trip was ice skating and shopping at Lake Forest. A Christmas party at Mrs. Sheridan's featured "potluck" spanish dishes, exchanging "gag" gifts, and a hay

ride. Spanish classroom treats involved pinatas, treasure hunts, valentines and games in Spanish. They went to eat taco pizza and later dinner at the Western Sizzlin. Some of the club was lucky enough to travel to Mexico or Europe.

4K's Float Wins First

The 1982-83 school year was a busy one for 4K Service Club. Continuing a tradition of community involvement, 4K sponsored a political rally for all parish candidates and worked in the campaigns. Six new members were added on Bid Day and managed to survive informal initiation. Football season kept the girls busy making spirit banners. At Homecoming, the 4K float took first place. The annual spaghetti dinner, raffles, and car washes rounded out the year's money-making activities. Formal initiation, the Senior Banquet and installation of officers were formal highlights. 4K made plans for summer camp to be held in Panama City Beach.

SAK Pageant Highlights Year

SAK wasted no time getting into the swing of things this year. During August, SAK could be found making banners and tags for the coming football season or, later in the month, at Prep Week welcoming freshmen to BHS. Homecoming activities brought fun and hard work. SAK then followed the Jacks into state play-offs with still more banners. SAK was proud of their new pledges and welcomed them into the club with a swimming party. Christmas festivities were held at the Griffith's; afterwards, all went caroling and delivered several fruit baskets.

SAK's annual Little Miss Pageant had a new twist this year—the Little Mister division. The pageant was very successful and was enjoyed by all. The Sr. Banquet, a trip to Ponchatrain

Beach, and a drive for the Cancer Fund ended this busy year. SAK then made their way to Florida to rest up for next year.

Torch Has A Great Year

Torch Service Club began the year by placing first in the Bogalusa 4th of July parade. Torch entered the Muscular Dystrophy race and beat 4-K to win \$100. Torch promoted school spirit by working at Prep Week and making spirit banners and tags for all the football games. September proved itself wonderful, with all 8 pledges accepting their bids. Next came Homecoming—Torch won 2nd place on their car. The Christmas banquet was held in the home of Amy Branch. The girls went Christmas carolling and had a slumber party afterwards. Torch's alumni tea served as its 50th Anniversary. The pledges' Talent Night was spectacular. The annual Goodwill Tea was the most unique and special tea ever! The pledges participated in a "pledge hunt" to gain their last pledge hour and were formally initiated at Jeanette Richardson's house. Massive balloons surrounded the club during the Heart Fund Drive. Their major money-making project, the spaghetti dinner, was a

big success. The senior banquet was a very special occasion where the juniors received their future offices. Torch enjoyed the "good things" of Pensacola, Florida at their Torch camp in June.

Administrators: Those Who Keep It Running Smoothly

Principal Richard Cothorn has the awesome task of supervising 1,139 students, 70 faculty members, and two assistant principals.

During the course of the school day, Mr. Cothorn hovers over federal and state forms, consults with faculty and staff members, and deals with the stu-

dents' problems.

Mr. Gary Magee, former coach and social studies teacher, works hard all year to fulfill his obligation as Assistant Principal. He supervises teachers, students in the cafeteria during lunch, and takes care of the many discipline problems that arise.

Mrs. Mary Chatmon, former mathematics teacher, stays busy all year arranging the school's curriculum. As Assistant Principal, she is constantly supervising the curriculum's development at Bogalusa High.

IN MEMORIAM

The Season Changes . . .

The long corridor rings out again with quickened steps and the lively din of teachers' conversation and student laughter. The season changes, and the books are gathered, the bulletin boards are decorated, the desks are shined. Yet something is missing this season. One quickened step is stilled. One cheerful smile is absent. One frantic search for new materials—for innovative techniques—is finished. The season changes, but the quiet dedication is gone. The glad service is gone. The warmth is gone. The season changes, and Rowena Stewart Burge is gone. The season changes, but the memory lingers like a sweet essence that permeates the long corridor and enriches our day.

Those Who Work Long and Hard

Being one of the secretaries at BHS was a very complicated job, but one that Ms. Windham, Mrs. Powe, Mrs. Mitchell, and Mrs. Frazier enjoyed. Ms. Windham, the bookkeeper, handled the business end of the school; Mrs. Powe worked the front desk; while Mrs. Mitchell was Mr. Cothorn's secretary. All the counselors handled the difficult task of scheduling, with the help of Mrs. Frazier, the secretary of their office.

The school was run by many people, including the cafeteria workers and the janitors. The cafeteria helpers prepared two different lunches everyday

for those who wanted to eat. There was much planning involved in order to serve the students and teachers a nutritious meal.

The maintenance crew kept the school clean and fixed anything which needed repairs. The janitors were always busy trying to keep the school in good shape. 1. Bogalusa Modernization

Crown Zellerbach has reached a major milestone in the \$120 million modernization of its Bogalusa containerboard mill with the start-up of one of the world's largest continuous pulp digesters.

The \$34 million Bogalusa digester is the key element in a program launched in 1977 to modernize the 60-year-old pulp and paper mill and concentrate production on containerboard to supply the company's 13 southern and eastern corrugated container plants. The program is

part of the company's \$1.5 billion capital spending plan.

Capable of producing 1,300 tons of kraft pulp per day, the digester has a main vessel nearly 200 feet high and 22 feet in diameter. It is operated by specially trained personnel using a sophisticated computer system.

What Is A Collection?

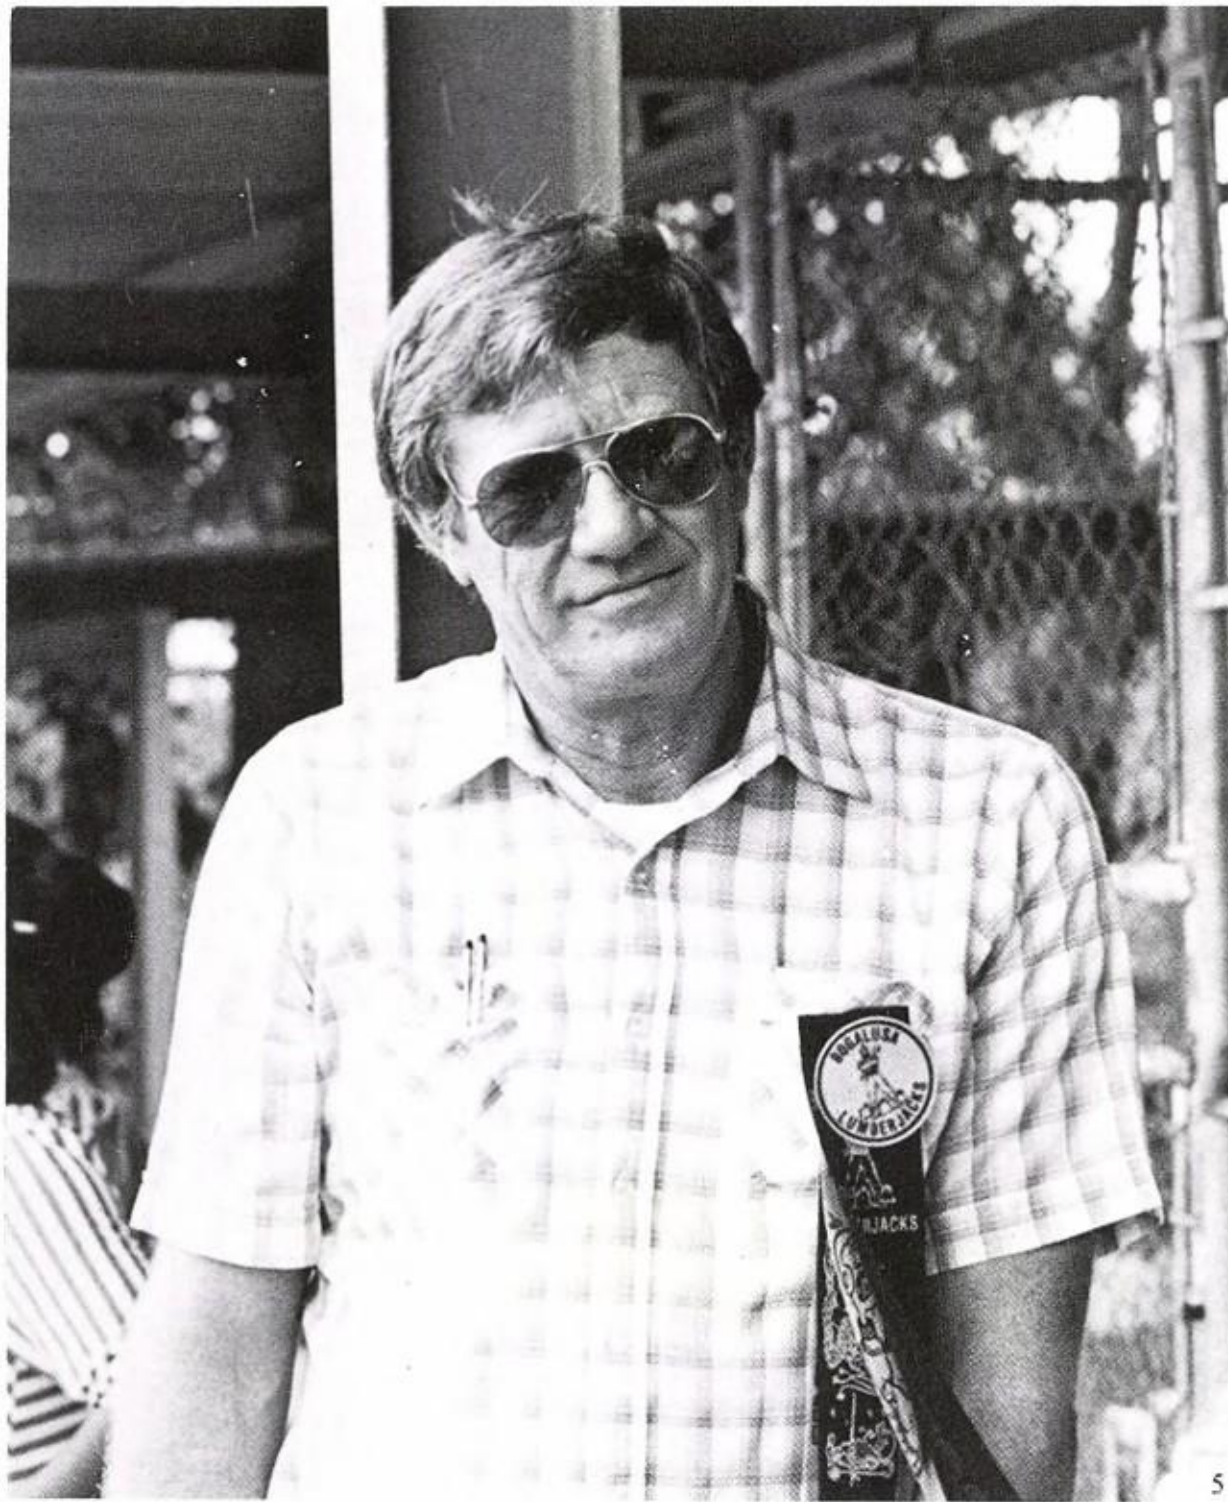

Just what is a "collection"? Webster's Dictionary states that a collection is an "act of assembling or bringing together." BHS did just that. Students were brought together in classroom activities, athletic events, club meetings, pep rallies, Homecoming, Almost Anything Goes, parties,

the football games, the class play. . . . then came the last collection at BHS: graduation for 250 seniors.

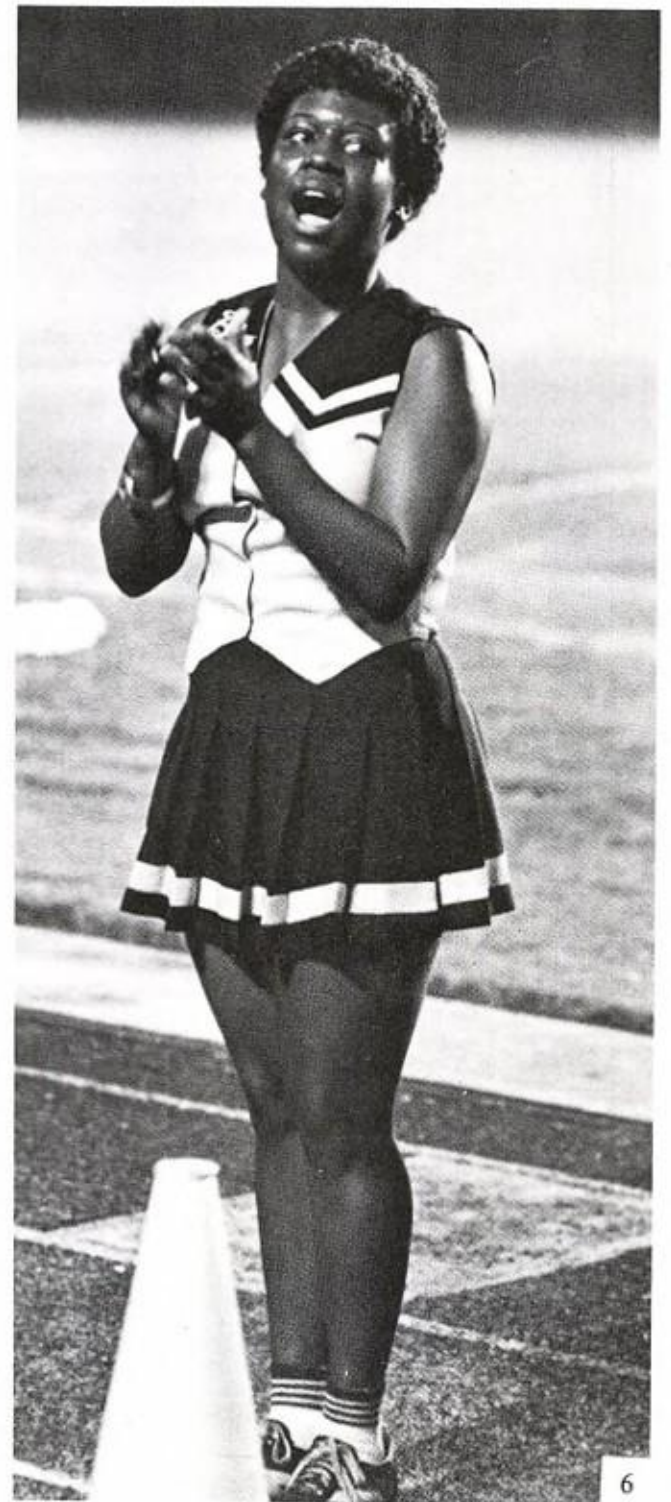

1. Whoops! I got caught. 2. Teaching Randy Wager how to boogie is Tammy Powell. 3. Enjoying the Homecoming game is Kim Brister. 4. Senior class

officers and advisory board. 5. Mr. Chip Conerly, guidance counselor, backs the Jacks. 6. Cheering the Jacks to victory is Missy Frazier. 7. Working after school at Hardies are Debbie Hamm and Darlene Passaro. 8. B-Jack Bobby Perkins wonders what will happen next.

1. "She swam the moat?!!" 2. Accepting a bid from PKT is Shari Knight. 3. Ready for the day's science lesson is Coach Raborn. 4. The Lumberjacks roll over Lutchter 35-7. 5. As Buster Stewart clobbers Gary Seal, Susan Pusa stands amazed. 6. Formally initiated into AST are Gina Thomas, Adrian Nunn, Lisa Spencer, Robin Ellis, and Terri Hill. 7. Amy and Heidi, why is Ellie staring at the grass? 8. Mrs. Moses shows Regina Benjamin how to bowl. 9. The Jacks and Coach Byrd gang up after winning the District title. 10. Hard-working Miss Windham takes a break from all the paperwork.

1. Anxious to strike out another one is pitcher Al Ratliff. 2. After defeating Lutchter in the state play-offs, the Jacks head for the locker room. 3. Catching the football during a practice session is Kermit Martin. 4. "My good, nice, sweet, beautiful boy." 5. Shamrock members show Homecoming spirit. 6. Performing at half-time is Jackette captain April Smith. 7. Working hard to meet a LUMBER-JACK deadline is Stacey Talley. 8. Nicki Clinton accepts a bid from 4K. 9. Ready to perform "Pac-Man Fever" are the BHS Paperdolls. 10. Firing up the student body at the pep rally are Sean Smith, Jeffery Bolton, and Quinn Cassidy. 11. The Student Council visits City Hall.

A Collection

The 1982-83 school year was a collection. This collection was unique due to the source of the collectables—Bogalusa High School. The year was a collection of faces, events, wins and losses, achievements and failures, excitements and disappointments, of hard work and study, as well as goofing off and fun. The year was definitely one to be remembered always. Thus, LUMBERJACK: A Collection.

1. Senior football players show pep rally spirit. 2. A member of the 1982-83 Homecoming court is freshman Anna Beth Hartzog. 3. "I'll just go out there naked and catch a chill and die and that'll show him." 4. Performing a solo at the Christmas concert is chorus member Wilton Lee. 5. Dancing during half-time are Paperdolls LaTanya Jackson and Durie Alford.
